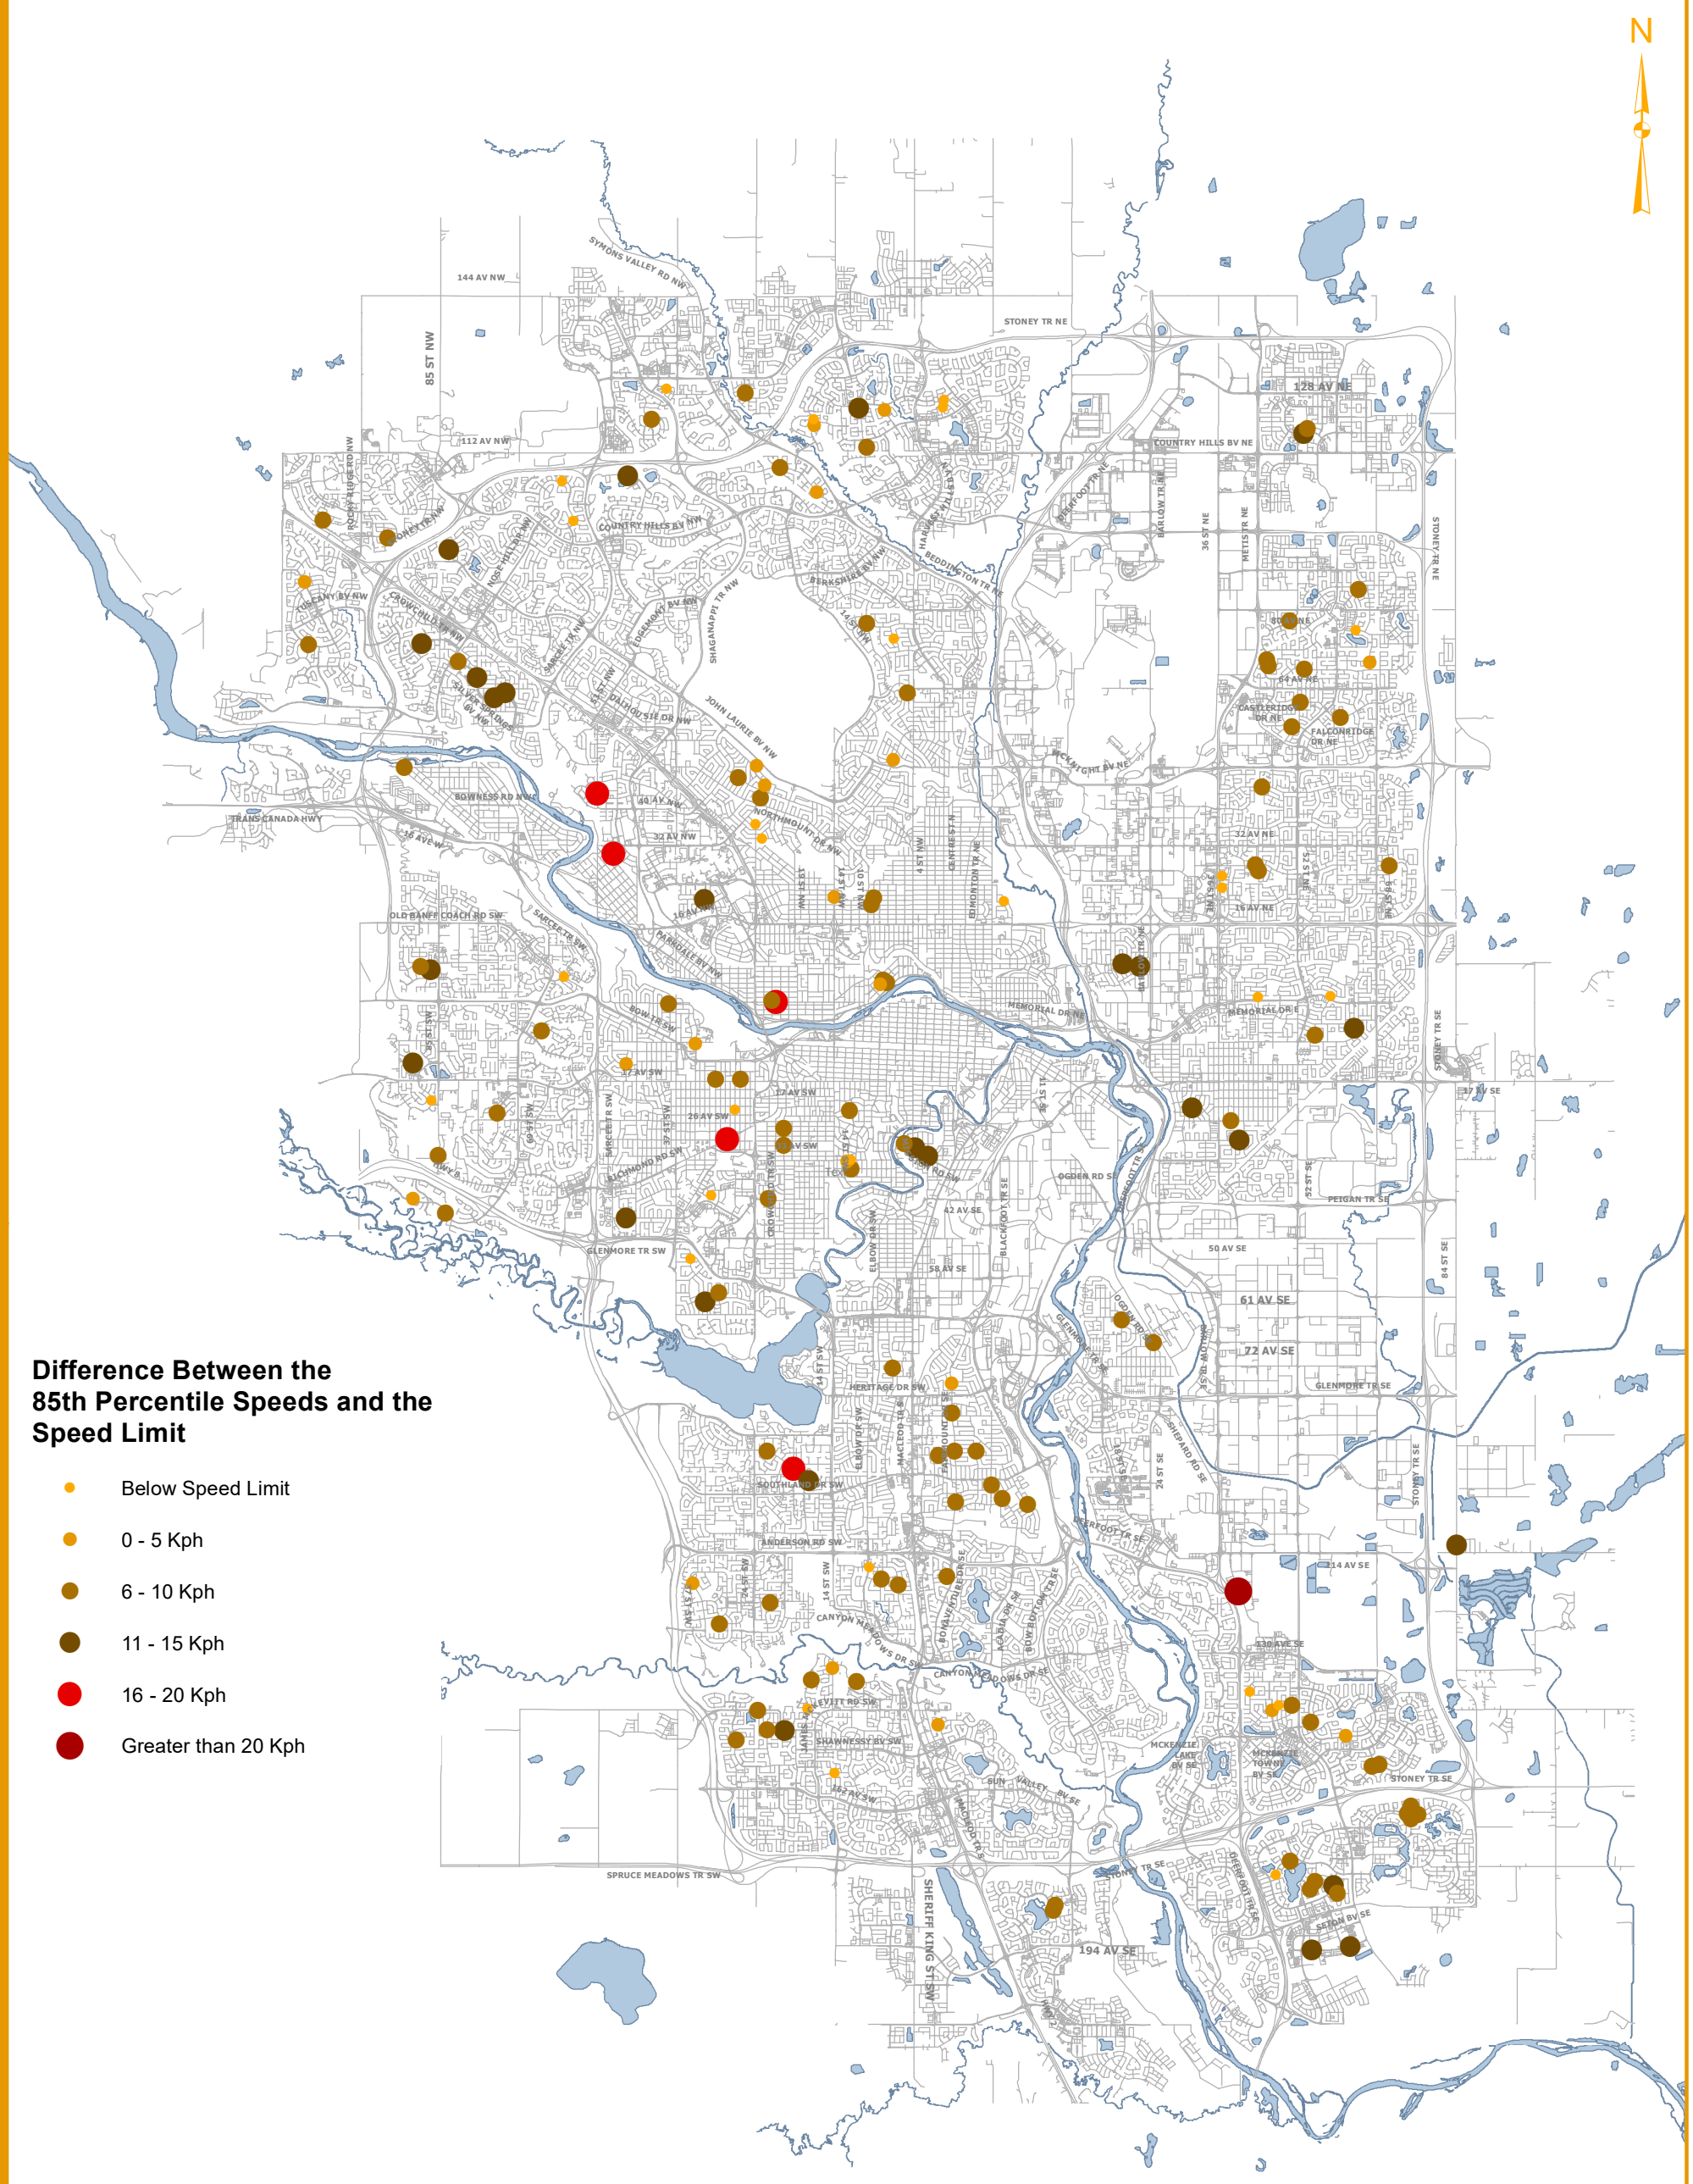
The City of Calgary

2023 Speed Compliance



Difference Between the 85th Percentile Speeds and the Speed Limit

- Below Speed Limit
- 0 - 5 Kph
- 6 - 10 Kph
- 11 - 15 Kph
- 16 - 20 Kph
- Greater than 20 Kph

Data is compiled from automatic counts from 2023 up to Oct.19, 2023.

For all data collected in school and playground zones, the speed limit is considered to be 30 KPH and only the zone hours were used for calculations.

Information contained herein is intended, designed, and collected for specific municipal purposes and may not be suitable for other applications.

The City of Calgary accepts no responsibility or liability which may arise from any incorrect or incomplete data or results, or for any improper or inappropriate use or interpretation made by any person .
