

## Calgary Approvals Coordination Bulletin December 7, 2021

### **Subject: Changing Format of Construction Drawing Package**

The Public Infrastructure team is improving its digital infrastructure as we plan and prepare for Calgary's future. In alignment to this project, we are transitioning to a new mark-up tool for reviewing applications, starting with Construction Drawing Package submissions.

Starting **January 1, 2022**, Construction Drawing Packages will be circulated as PDF documents. Any submissions received that are DWF-formatted documents will be converted into PDFs **until December 31<sup>st</sup>, 2021**. **We kindly ask all consultants to submit their Construction Drawing documents as PDFs starting January 1, 2022.**
