Living Alone	30	100.0%	99,415	55.4%

Source: Statistics Canada, 2006 Census of Canada

* Statistics Canada defines "Family Persons" as those living in households containing at least one census family, that is, a married couple with or without children, a couple living common-law with or without children, or a lone parent living with one or more children.

** "Non-Family Persons" are defined as those living in households made up of either one person living alone in a private dwelling or to a group of two or more people who share a private dwelling, but who do not constitute a census family.

Additional Information

The following web sites present additional information at the community district level on property taxes, land use, crime, community associations and facilities. Please note that Community & Neighbourhood Services does not maintain or update the information found at these web sites.

- The City of Calgary's Assessment business unit compiles information on property values and taxes by community district; this information can be found at [Assessment Community Profiles](#). [My Property](#) provides additional information on properties in Calgary, including year of construction, building permits and garbage collection.
- The City of Calgary's Land Information & Mapping business unit compiles information on community facilities (neighbourhoods recycling depots, leisure centres, city parking, libraries, schools, etc.), including maps for each community district; see [Interactive Facilities & Service Locater](#).
- The Calgary Police Service compiles crime statistics by community district; see [Community Crime Statistics](#).
- Calgaryarea.com Inc. gives a brief description of each community district, including community boundaries and community association information such as contact numbers, facilities and programs. It also provides information about community schools, Calgary Child Care, Calgary Seniors Services and more; see [Calgaryarea.com](#).
