INDUSTRY COMMUNICATION #005 **Global Petroleum Show**

Attention Industry Stakeholders

Calgary is preparing for a worldwide event – the Global Petroleum Show – which will be held at Stampede Park 2015 June 09 – 11.

In addition to Stampede Park, there are a number of events in downtown Calgary during the three days, including Hyatt Regency, Calgary TELUS Convention Centre, McDougall Centre, Cowboys Casino and the BMO Centre.

The attendance at this event is very large and thus a busy time for the transportation industry. We would like to thank all drivers who will be making themselves available to assist with the movement of these guests.

Please note, during the 'set up' and 'take down' phase of the event there will be a number of structures being moved in and out of Stampede Park. A Construction Zone on 12th Avenue SE will be in effect on June 04, June 11, June 12. To facilitate a smooth transition of the equipment to and from the show, we ask that all drivers respect this zone and refrain from standing, loading or unloading passengers in areas where the trucks and equipment are being used or staged by the event organizers.

Your assistance during this event is greatly appreciated.

Regards,

Mario Henriques
Chief Livery Officer
