

## Purpose

To respond to concerns identified by civilians regarding tattoos or body markings and to ensure that any tattoos or body markings do not result in the damage to Calgary Fire Department's (CFD) reputation or professionalism.

## Policy Statement

CFD Members shall:

- Present a professional image that CFD deems acceptable within the community when representing the CFD.
- Be mindful and respectful to cover tattoos or body markings which are deemed to be offensive and/or tarnish the professional image of the CFD. Members are expected to cover such tattoos or body markings.
