

Attention Registrants in Homeschool Art course at Wildflower Arts Centre:

The Homeschool Art course offered at Wildflower Arts Centre is two hours in length and runs concurrently with other courses in the facility. Due to the limited hallway seating offered to all parents/caregivers of children participating in independent courses at Wildflower, we ask for your co-operation in limiting your hallway activities and their duration. Wildflower Arts Centre is not equipped to accommodate families seeking to conduct lessons or meals over the two hour duration of the Homeschool Art course.
