

Neighbourhood Window Walk Template

Neighbours helping Neighbours

Organizing a Neighbourhood Window Walk is a simple way to support your neighbours. Window walks are also a great way to spread positivity and lift community spirit, all while practising physical distancing. This template suggests weekly themes you can share throughout your neighbourhood. Be sure to tag your efforts on social media with these community-led movements: #3Things4Neighbours, #AlbertaCares, #SupportLocalYYC, #yycHubs.
