This checklist outlines all the information necessary to evaluate and provide a timely review and issuance of your application. Applications and materials submitted must be clear, legible, and precise. Plans/drawings stamped with "not for construction", "preliminary", or "for permit purposes only" are not acceptable.

For help with your drawings visit calgary.ca/drawingstandards for tips and examples
To estimate your permit fees, use the applicable fee calculator.

NOTE: Building and development permit applications must be submitted without personal information on any plans. Omitting this information will protect builders and tenants by reducing the risk of any personal information being wrongfully displayed, while also following the Province of Alberta’s FOIP Act. Failure to follow this requirement may result in an incomplete application. If you consider the information to be personal, do not put it on the plans.

A. Application Form (Do not fill out if applying online)
B. Approved Development Permit where required.
   NOTE: Upon review, if the submitted drawings do not match the approved plans by the Development Authority, this application may not be issued until such time that the Development Authority is satisfied that the plans match the approved development permit, or that a new development permit has been obtained and released.
