Other Resources Available

- The Local History collection at CPL has files of clippings taken from local newspapers and magazines. These include a number of files on Calgary districts. Please ask reference staff for access.
- A selection of Community newsletters is housed in the Local History area and may be accessed with help from the reference staff.

- Maps for Calgary and surrounding areas, including some community maps, are housed in the Local History area.
- Calgary Census information and planning documents are kept on the third floor in the Business, Science and Social Science department. Copies of some of these documents are also in the Local History Room. These items are in the catalogue.
