

17 Avenue S.W. Reconstruction Project | 2018 Year in Review

We're really into 17th. The City of Calgary is investing in new utility, road and electrical infrastructure so that the 17th Ave SW corridor is sustained now and well into the future. This is a major infrastructure renewal project that will also happen to look really nice when it's finished!

With the work over 65% complete this is a snapshot of what's been accomplished:
