INFORMATION NOTICE **11 Street S.E., between 20 Avenue and 23 Avenue underground utility work**
Construction starts February 18, 2019

In preparation for the Green Line LRT, The City will be completing several Enabling Works construction projects along the future Green Line alignment. These projects include utility relocations and land preparation. Doing this work now ensures the right-of-way will be ready for major Green Line construction scheduled to start in 2020.

Throughout 2019, enabling works construction projects will be happening in the area of 11 Street S.E. between 20 Avenue and 23 Avenue. In order to prepare the area for the Green Line, multiple utilities need to be relocated.

SHALLOW UTILITY RELOCATIONS
February 18-25, 2019

Shaw crews will be working on the east side of 11 Street S.E., at the corners of 20 Avenue and 23 Avenue. As well, work will be taking place on the north side of 21 Avenue S.E., in the front and rear of the properties located from 1026 to 1048 21 Avenue S.E. This work includes:

- Relocating existing telecommunications infrastructure underground.

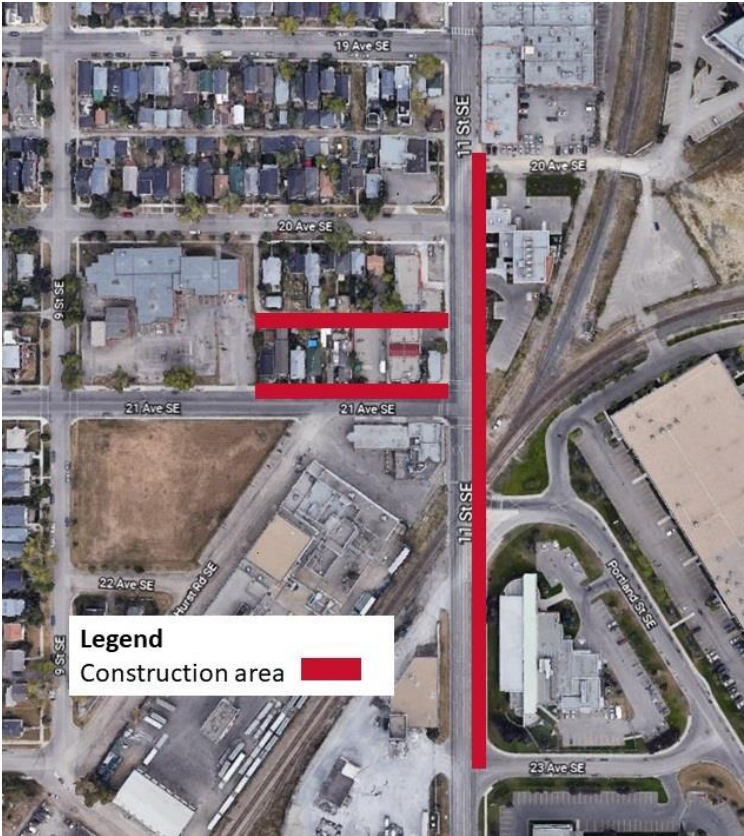

What to Expect

Crews will be working Monday to Friday, from 8:00 a.m. until 5:00 p.m. along City-owned roadways and boulevards. During construction hours you can expect:

- Excavation will take place on the east side of 11 Street S.E., at 20 Avenue and 23 Avenue.
- No parking will be permitted on the north side of 21 Avenue, between 1026 and 1048 21 Avenue S.E.
- Access to commercial and residential buildings will be maintained throughout construction.

Impacts

- Crews will be working on the east side of 11 Street S.E. During this work, you can expect an increase in construction activity and minor noise vibrations.

- There will be traffic detours for people walking and driving along 11 Street S.E., between 19 Avenue and 23 Avenue. Signs will be in place to notify you of construction detours.
- No parking will be permitted on the north side of 21 Avenue S.E., between 1026 and 1048 21 Avenue S.E.
- The Route 302 bus stop will be temporarily re-located to accommodate construction activities.
