

# Be safe. Leave space.

## Motorists must leave at least 1m of space when passing people cycling.

When driving **slower than 60km/hr** you must leave at least **1 metre of space** when passing people cycling.

When driving **faster than 60km/hr** you must leave at least **1.5 metres of space**.

If you can't pass safely with the minimum amount of space, slow down and wait for an appropriate opportunity to pass.

**You may cross a single solid yellow line to complete a pass, if it's safe to do so.**
