

Food truck wastewater disposal locations and requirements

Food trucks must follow a set of steps when it comes to disposing of wastewater, including disposing of it at an approved location and filling out a logbook of disposals.

What are the locations for food truck wastewater disposal?

- Flying J - 11511 40 St. S.E.
- Husky - 4639 Bowness Rd. SE
- Calgary West Campground – 221 101 St. SW

What are the rules for the food truck logbook under section 34.1 of the wastewater bylaw?

After each disposal, you must fill out a logbook that includes the date, time, location, approximate volume, and the name of the person making the disposal.

You must also be able to share the logbook if asked by an inspector or officer.

Failure to meet these requirements is an offence punishable by a fine.

Section	Description of offence	Penalty
34.1(2)	Full service food vehicle failing to dispose of wastewater at a designated location	\$3000
34.1(4)	Failing to maintain logbook	\$500
34.1(5)	Failing to provide logbook upon request	\$200
