Wins of the Week | Highlights, Successes & Milestones

- Calgary Police Service and Transit Public Safety officers are continuing the overnight safety partnership initiative that is focused on reducing social disorder issues on the Transit system.
- The Community Outreach Team (COT) visited a client who is currently in custody at Calgary's Remand Centre. With the help of the COT team, the client has been enrolled in a program to maintain sobriety and mental stability. He will go directly from remand to the program.
- The Transit Public Safety recruitment project is in its final stages. A total of 28 Transit peace officers have been hired since the project began in September 2022 – representing a 25 percent expansion of officers. Later this month, 14 of these new recruits will graduate and be deployed on the system.

Upcoming Initiative

- Starting Feb. 27, Alberta sheriffs will join Calgary police officers in downtown patrols for a 3-month pilot. Transit Public Safety is exploring the possibilities and options to work collaboratively with Alberta Sheriffs and Calgary Police Service with this opportunity related to transit safety.
