# Background

---

In the fall of 2014, City Council voted to adopt a compensation disclosure list. Annually, The City publishes position titles, salary ranges and information about pension and benefits.

The City's compensation disclosure list provides transparency while respecting the privacy and security of its employees. Employee names and actual salaries are not included in the list.

Unlike other organizations where disclosure of employee compensation only occurs over a specific amount, The City's list does not have a threshold.

## Our compensation philosophy

---

The City of Calgary strives to be an employer of choice, offering compensation that enables us to attract and retain qualified employees to deliver services to citizens. The City recognizes its responsibility as a public sector employer and balances providing competitive compensation with The City's ability to pay. This aligns with Council's priority of a "well-run city."

## How pay is determined

---

The City considers both internal and external factors when determining pay.

Internally, jobs are classified by measuring their value relative to other jobs at The City. This ensures objective, consistent, and gender-neutral job evaluation. The City's highest paid jobs require highly skilled, experienced and qualified people who are accountable for the delivery of City programs and services. These include General Manager and Director positions.

Part of The City's responsibility as a public sector employer is to consider external factors to assess pay levels and trends. The City monitors public and private sector markets where it competes for talent. The City does not intend to lead the market and instead strives for pay that is responsive to the current market conditions, with a focus on the public sector.

## How pay increases are awarded

The City operates in a unionized environment. The pay rates for union positions can be found in each [collective agreement](#). As union employees gain more experience in their positions, their pay increases according to steps within a pay range. The timing of step increases is specific to each collective agreement.

Exempt (non-union) positions are typically managerial and not governed by collective agreements. Each year, the performance of exempt employees is reviewed in relation to The City's business goals. In years where a salary increase budget has been approved and they have met their goals, exempt employees may be given a salary increase within the salary range for their position. In the past several years, there has not been budget for salary increases for exempt employees. Salary ranges for exempt employees may be found at [Exempt Salary Structure](#).

## Economic adjustments

Pay structures in collective agreements and the exempt salary structure may be adjusted based on market conditions, cost of living and budget considerations. For unions, this is bargained collectively between The City and the union. For exempt, the City Manager approves changes to the salary structure.

## Who has a “say” on pay?

Human Resources administers the compensation programs at The City. Some of these responsibilities include developing policy, designing and maintaining systems, conducting market surveys, designing salary structures, classifying jobs, and providing recommendations and advice to management. There are different approvers if a pay increase applies depending on the position, type of increase and budgets. The following chart shows who has a “say” on pay:

Type of position	How is an employee’s pay increase determined?	Who approves an increase to an employee’s pay?	Who approves economic adjustments?
Union	Based on service	Outlined in each collective agreement	Bargained collectively between The City and the Union
Exempt	Based on performance	Employee’s supervisor	City Manager
Director	Based on performance	General Manager	City Manager
General Manager	Based on performance	City Manager	City Manager
City Manager	Based on performance	Council	Council

# Notes for compensation data

---

- The position and salary information is effective 2021 May 18 based on the negotiated or approved salary rates as of that date.
- The data includes positions that meet the following criteria:
  - › Positions filled by an employee with a payroll status of “active,” leave of absence,” paid leave of absence” or “suspended”
  - › Full-time and part-time positions
    - Part-time positions have been reported using the minimum and maximum annual base salary equal to a full-time position
    - Full-time hours vary by position between 30 to 42 hours per week
  - › Temporary and permanent positions
  - › Exempt (non-union) and all union jurisdictions
- Positions with the same minimum and maximum annual base salary have one rate of pay as per their collective agreement. For example, Fire Investigations Coordinator.
- Positions listed may be filled by one or many employees. For example, Transit Operator is filled by many employees.
- Certain positions have been grouped as follows:
  - › Positions that are similar in function have been grouped together. General titles were used where jobs were grouped by function. Finance Lead Corporate Accounting, Finance Lead Benefits, Finance Lead Pensions, etc. have been grouped as Finance Lead.
  - › Positions that are similar in function and operate at various levels have been grouped by pay level. For example:
    - Labourer Parks Maintenance, Labourer Operator, etc. have been grouped as Labourer (Pay Level 1).
    - Engineering positions, except Engineering Managers, were grouped by Engineer pay level.
    - Lawyer positions, except Lawyer Managers, were grouped by Lawyer pay level.
    - CUPE Local 709 Foreman positions were grouped by Foreman pay level.

- The following employee groups are excluded from the list:

Group	Rationale
Calgary Police Service	The Calgary Police Service also publishes a compensation disclosure list. Please refer to the <a href="#">Calgary Police Service website</a> .
Seasonal, on-call, summer student, business intern, co-op student and recreation non-union program jobs	Annual salary rates cannot be determined due to variable work schedules.
Some employees with employment contracts/agreements	Annual salaries will not be disclosed where a position title is unique, there is a single rate of pay for the position (no salary range) and the salary information is not publicly available through a job posting or collective agreement.
Elected Officials	Elected officials are not City employees. Compensation information for elected officials is posted on <a href="#">The Office of Councillors'</a> website and the <a href="#">Office of the Mayor</a> website.

## City of Calgary Pension Plans

### Local Authorities Pension Plan (LAPP)

The Local Authorities Pension Plan is a provincial, multi-employer, defined benefit pension plan. The City is one of many public sector employers that participate in the plan. It is financed by member and employer contributions and by investment earnings. LAPP Corporation is the legal trustee and administrator of the Plan. A representative Sponsor Board is responsible for decisions about benefits and contribution rates. A Fiduciary Board is responsible for carrying out these decisions.

All eligible City employees (except police officers) participate in the LAPP. Participation in the plan is mandatory for all full-time and part-time permanent employees. Full-time temporary employees may choose to join after 24 months of service. LAPP provides a benefit of 1.4 per cent of earnings up to the Yearly Maximum Pensionable Earnings (YMPE) and 2 per cent of earnings over the YMPE up to the Income Tax Act Salary Cap for years of LAPP service.

The City and LAPP plan members make contributions to the plan. Rates are reviewed annually and set by the LAPP Corporation Sponsor Board.

#### LAPP 2021 contribution rates

Members' rate up to YMPE	8.39% of annual earnings
Members' rate over YMPE	12.84% of annual earnings
Employers' rate up to YMPE	9.39% of annual earnings
Employers' rate over YMPE	13.84% of annual earnings
2021 YMPE	\$61,600
2021 Income Tax Act Salary Cap	\$180,758

For more information: <http://www.lapp.ca/>

## Supplementary Pension Plan (SPP)

The Supplementary Pension Plan is a single employer defined benefit pension plan. All eligible City exempt employees in senior positions have the option to join the SPP. The SPP enhances the LAPP benefit to a full 2 per cent of all earnings up to the Income Tax Act Salary Cap, for SPP service.

The City and SPP plan members make contributions to the Plan. Rates are reviewed triennially and set by the Pension Governance Committee on the advice of the Plan actuary. The Pension Governance Committee consists of senior City executives and elected officials.

### SPP 2021 contribution rates

Members' rate	2.37% of annual earnings
City rate	2.90% of annual earnings
2021 Income Tax Act Salary Cap	\$162,278

## Overcap Pension Plan (OCP)

The Overcap Pension Plan is a single employer defined benefit retirement arrangement. All eligible City exempt employees in senior positions who have opted into the SPP are automatically enrolled in the OCP. The OCP provides a 2 per cent benefit on earnings above the Income Tax Act maximum for OCP service.

The City funds the OCP. No contributions are required from plan members.

## Calgary Firefighters Supplementary Pension Plan (FSPP)

The Calgary Firefighters Supplementary Pension Plan is a single employer defined benefit pension plan. All City Firefighters participate in the FSPP. Participation is mandatory. The FSPP enhances the LAPP benefit to a full 2 per cent of earnings up to age 65.

The City and FSPP plan members make contributions to the Plan. Rates are reviewed triennially and set by the FSPP Board of Trustees consisting of both union and City representatives.

### FSPP 2021 contribution rates

Members' rate	2.32% of annual earnings
City rate	2.83% of annual earnings
2021 Income Tax Act Salary Cap	\$180,758

# Benefits

## City of Calgary benefit plans

### Municipal Employees Benefit Association of Calgary (MEBAC) Benefits Plan

All eligible City employees (except Firefighters) are covered by the MEBAC benefits plan.

MEBAC is a registered society working with The City on a single, consistent, cost effective benefits plan for employees. MEBAC manages and administers employee contributions to the plan. It also partners and negotiates with The City on changes to benefit plan design. The MEBAC board consists of representatives from all but one of The City's unions and associations as well as City representatives.

The City and plan members make contributions to the plan. Rates are reviewed annually and set by the MEBAC Board. Plan members select their extended health and dental coverage level upon hire and may change it once per year during annual enrolment. All other benefit plans are mandatory.

# Perquisites

---

## Flexible Spending Account

The Flexible Spending Account (FSA) is offered to exempt employees in senior positions. The employee is given cash-equivalent credits based on their position. The credits can be taken as reimbursement for non-taxable health expenses (as defined by Canada Revenue Agency), as cash, or a combination of the two. Annual credits are allotted as per the chart below:

Level	Salary Range	Annual Credit Amount
Level 1	Exempt Level F	\$1,000
Level 2	Exempt Level G or H	\$2,000
Level 3	Director, General Manager and City Manager	\$3,000

## Active Living Program

All City employees may participate in this program. When an employee purchases an annual pass to a City of Calgary Aquatic and Fitness Centre or a City Partner facility, The City will provide partial reimbursement to help cover the cost. Reimbursements are as follows:

City of Calgary Facility	\$250
City Partner Facility	\$200

## Car Allowance

The Directors, General Managers and City Manager are eligible for an annual flat rate car allowance. The current rates are:

Director	\$4,800
General Manager and City Manager	\$7,150

Managers may choose a flat rate car allowance of \$1,040 or a per kilometre reimbursement. All other City employees are eligible for “per kilometre” reimbursement when they use their personal vehicles to conduct City business. Reimbursement rates are based on Canada Revenue Agency published guidelines.

For more information see [The Car Allowance Policy](#).

## Executive Business Expense Allowance

The General Managers and City Manager are paid this allowance at a rate of \$2,400/year.

## Executive Health Assessment

The Directors, General Managers and City Manager are eligible to receive an annual comprehensive executive health assessment. This option is currently valued at \$1,725.

## Parking

The Directors, General Managers and City Manager are each provided an underground parking stall. Other positions may be eligible for parking if it is required specifically for carrying out their duties on behalf of The City.

For more information see [The Employee Parking Policy](#).

## Retirement and Financial Counselling

The Directors, General Managers and City Manager are eligible to receive a one-time retirement and financial planning service. This option is currently valued at \$4,250.
