- (ii) *Commercially Confidential RFIs*;
- (c) if *The City* disagrees with a *Proponent’s* categorization of an *RFI* as a *Commercially Confidential RFI*, *The City* will give the *Proponent* an opportunity to either categorize the *RFI* as a *General RFI* or to withdraw the *RFI*; and
- (d) if *The City* determines, in its sole discretion, that a *Commercially Confidential RFI*, even if it is withdrawn by a *Proponent*, is of general application or would provide a significant clarification of the *RFP Documents* or *RFP Process* to *Proponents*, *The City* may issue a clarification to *Proponents* that deals with the same subject matter as the withdrawn *Commercially Confidential RFI*.
- (5) *The City* will provide written responses circulated to *General RFIs* to all *Proponents* through *MERX*. If *The City* agrees with a *Proponent’s* categorization of a *RFI* as a *Commercially Confidential RFI*, then *The City* will provide a response through *MERX* only to the *Proponent* that submitted the *RFI*.
- (6) *The City* may, in its sole discretion, respond to *RFIs* received after the deadline set out in the *Timetable*, if, in the opinion of *The City*, the inquiry raises a significant issue that needs clarification. *The City* will not respond to inquiries received after the *Submission Deadline*.
- (7) *The City’s* responses to *RFIs* do not amend the *RFP Documents* unless subsequently confirmed by way of an *Addendum* to the *RFP Documents* issued in accordance with Section 3.6.
- (8) Prior to the *Submission Deadline*, if a *Proponent* wishes to contact *The City* on matters relating to its *Proposal*, the *RFP Documents* or the *RFP Process*, it will contact the *City Contact* electronically through *MERX*. (2) Neither the *Proponents* nor the *Proponent Team Members* or any of their respective *Advisors*, employees, or representatives are permitted to make any public comment, respond to questions

in a public forum, or carry out any activities to either criticize another *Proponent* or *Proposal*, or to publicly promote or advertise their own qualifications, interest in or participation in the *RFP Process* without *The City's* prior written consent, which consent may be withheld in *The City's* sole discretion. Notwithstanding this Section 3.3.3(2), *Proponents* and *Proponent Team Members* are permitted to state publicly that they are participating in the *RFP Process*.

(3) Section 3.3.3(2) does not prohibit disclosures necessary to permit the *Proponent* to discuss the *Project* with prospective subcontractors, but such disclosure is permitted only to the extent necessary to solicit those subcontractors' participation in the *Project*.

3.3.4 Restrictions on Communications between Proponents – No Collusion

(1) A *Proponent*, *Proponent Team Members*, and their respective *Advisors*, employees, and representatives, must not discuss or communicate, directly or indirectly, with any other *Proponent*, any information whatsoever regarding the preparation of its own *Proposal* or any other *Proposal* in a fashion that would contravene *Applicable Law*. *Proponents* must prepare and submit *Proposals* independently and without any connection, knowledge, comparison of information, or arrangement, direct or indirect, with any other *Proponent*.

The *City Contact* will confirm whether the representative from *The City* will be present at the *Additional Visit* at the time the *Additional Visit* is approved and scheduled. The period during which an *Additional Visit* will be permitted is set out in the *Timetable*.

A *Proponent's* failure to attend a *Commercially Confidential Meeting* is at the *Proponent's* own risk and responsibility.

(3) If *The City* holds *Commercially Confidential Meetings* and a *Fairness Monitor* has been appointed for the *RFP Process*, the *Fairness Monitor* will attend such *Commercially Confidential Meetings*.

(4) For all *Commercially Confidential Meetings*, each *Proponent* will provide *The City* with an agenda and a list of attendees at least 5 *Business Days* in advance of each meeting. *The City* may provide *Proponents* with comments on the agenda and a list of any prioritized items *The City* would like to discuss.

(5) Nothing stated or disclosed by *The City* at the *Commercially Confidential Meetings* will be binding on *The City*, nor will any such statement or disclosure change, modify, amend, or waive the requirements of the *RFP Documents* in any way, unless subsequently confirmed by way of an *Addendum* to the *RFP Documents* issued in accordance with Section 3.6.

(6) By their attendance at the *Commercial Confidential Meetings*, the *Proponent*, *Proponent Team Members*, and any of their attendees at *Commercially Confidential Meetings* acknowledge and agree that:

- (a) any statement made at a *Commercially Confidential Meeting* by *The City* or any of its *Advisors* or representatives is not and will not be deemed or considered to be an indication of a preference by *The City* or a rejection by *The City* of anything said or done by the *Proponent*, *Proponent Team Member*, or any of their attendees;

- (b) any statement made at a *Commercially Confidential Meeting* by *The City* or any of its *Advisors* or representatives cannot and will not be relied upon in any way by the *Proponent* or *Proponent Team Member* for any purpose, including any purpose in connection with the *RFP*, the *Sample Contract Letter*, the *Project* or otherwise, except and only to the extent expressly confirmed by *Addendum* in accordance with Section 3.6, provided that *The City* will not be under any obligation to confirm any information by *Addendum*;
- (c) *The City* may share process-related information, including clarifying information, with all *Proponents* if the need arises; and
- (d) the *Proponent*, each *Proponent Team Member*, and their attendees:
 - (i) will participate in the *Commercially Confidential Meetings* in accordance with the guidelines, procedures, and processes set out in the *RFP*;
 - (ii) waive any and all rights to contest and/or protest the *RFP* and the processes and guidelines set out, including the *Commercially Confidential Meetings*, based on the fact that *Commercially Confidential Meetings* occurred or on the basis that information may have been received during a *Commercially Confidential Meeting* by another *Proponent*, another *Proponent Team Member*, or their attendees that was not received by the *Proponent*, the *Proponent Team Member(s)*, or attendees; and

(2) If *The City*, in its sole discretion, considers a proposed change to a *Proponent's Identified Proponent Party* to be acceptable, *The City* may consent to the change. Such consent may be subject to such terms and conditions as *The City* may require, in its sole discretion. If a proposed change is not acceptable to *The City*, the *Proponent* may propose an alternate change for review by *The City* in the same manner as the first proposed change. *The City* may, in its sole discretion, disallow any actual or proposed change.

(3) In the case of a change to *Identified Proponent Parties* made without consent by *The City*, *The City* may, in its sole discretion, disqualify the *Proponent* and terminate the *Proponent's* continued involvement in the *RFP Process* or allow the *Proponent* to continue under such terms and conditions as *The City*, in its sole discretion, may require.

(4) If, at any time prior to the execution of the *Finalized Contract Letter*, and notwithstanding any other provision in the *RFP Documents*, a *Proponent* or *Proponent Team Member* acquires control of another *Proponent* or *Proponent Team Member* (as "control" is described in section 2(2) of the *Business Corporations Act* R.S.A. 2000, c. The approximate final date that *The City* will issue an *Addendum* in respect of the *RFP Documents* is set out in the *Timetable*.

(2) *The City* will issue *Addenda* by placing them on *MERX*.

(3) *Proponents* are solely responsible to ensure that they have received all *Addenda* issued by *The City*. *Proponents* may seek confirmation of the number of *Addenda* issued under the *RFP* from the *City Contact* through *MERX*. The *Proponent* must confirm in its *Proposal Submission Form* that it received all *Addenda* during the *RFP Process* and the *Proponent* must acknowledge that the contents of the *Addenda* form part of the *RFP Documents*.

3.7 Freedom of Information, Confidentiality and Copyright Matters

3.7.1 Freedom of Information and Protection of Privacy Act

(1) *Proponents* are advised that:

- (a) *The City* may be required to disclose the *RFP Documents* and a part or parts of any *Proposal* or any other records relating to the *RFP* pursuant to *FOIP*;
- (b) *The City* may disclose *Proposals* and other *Confidential Information* about *Proponents* to its *Advisors* engaged in connection with the *Project*, including to the *Fairness Monitor*; and
- (c) *FOIP* may provide protection for confidential and proprietary business information. *Proponents* are strongly advised to consult their own legal *Advisors* as to the appropriate way in which confidential or proprietary business information should be identified in their *Proposals*.

(2) Subject to the provisions of *FOIP*, *The City* will use reasonable commercial efforts to safeguard the confidentiality of any information identified by a *Proponent* as confidential but will not be liable in any way whatsoever to any *Proponent* or *Proponent Team Member* if such information is disclosed based on an order or decision of Alberta's Office of the Information and Privacy Commissioner or otherwise as required under *Applicable Law*.

3.7.2 Confidentiality Agreements

(1) No later than 5 *Days* after a request by *The City*, *Proponents* and *Proponent Team Members* must cause each of their employees, representatives, and *Advisors* who are in receipt of *Confidential Information*, to execute and deliver to *The City* a confidentiality agreement in a form prescribed by and with terms and conditions acceptable to *The City*, in its sole discretion.

3.7.3 Confidential Information

(1) By accepting receipt of *Confidential Information*, the *Proponent* agrees that:

- (a) all *Confidential Information*:
- (i) remains the sole property of *The City* and the *Proponent* will treat it as confidential;
 - (ii) will not be used by the *Proponent* for any purpose other than developing and submitting a *Proposal* in response to the *RFP Process* or the performance of any subsequent agreement with *The City* relating to the *Project*;
 - (iii) will not be disclosed by the *Proponent* to any *Person* who is not involved in the *Proponent's* preparation of its *Proposal* or the performance of any subsequent agreement with *The City* relating to the *Project*, without prior written consent of *The City*; and
 - (iv) will not be used in any way that is detrimental to *The City*;
- (b) if requested by *The City*, all *Confidential Information* must be returned by the *Proponent* to *The City* no later than 10 *Days* after that request;
- (c) each *Proponent* will be responsible for any breach of the provisions of this Section 3.7.3. by any *Person* to whom it discloses the *Confidential Information* including, for greater clarity, the *Proponent's* employees, representatives, *Advisors* and the *Proponent Team Members* and their employees, representatives and *Advisors*;
- (d) each *Proponent* indemnifies *The City* and its councillors, consultants, employees, agents, and representatives and save each of them fully harmless from and against any and all loss, cost, damage, expense, fine, suit, claim, penalty, demand, action, obligation, and liability of any kind or nature (including, without limitation, professional fees on a full indemnity basis) suffered or incurred by any of them arising as a result of or in connection with any breach of any of the provisions of this Section 3.7.3 by the *Proponent* or by any *Person* to whom the *Proponent* has disclosed the *Confidential Information*;
- (e) if a *Proponent*, a *Proponent Team Member* or any of their respective *Advisors*, prior to or following submission of the *Proponent's Proposal*, discovers a breach of any of the confidentiality obligations set out in Sections 3.7.2 or 3.7.3, the *Proponent* will promptly disclose all information with respect to such breach to the *City Contact*;
- (f) a breach of the provisions of this Section 3.7.3 would cause *The City* to suffer loss that could not be adequately compensated by damages, and that *The City* may, in addition to any other remedy or relief, enforce any of the provisions of this Section 3.7.3 upon application to a court of competent jurisdiction for injunctive relief without proof of actual damage to *The City*;
- (g) notwithstanding anything else to the contrary in the *RFP Documents*, the provisions of this Section 3.7.3 will survive any cancellation of the *RFP Process* and the conclusion of the *RFP Process* and, for greater clarity, will be legally binding on each *Proponent*, whether or not it submits a *Proposal*.
- (2) The confidentiality obligations of the *Proponent* do not apply to any information that falls within the following exceptions:
- (a) information that is lawfully in the public domain at the time of first disclosure to the *Proponent*, or which, after disclosure to the *Proponent*, becomes part of the public

- domain other than by a breach of the *Proponent's* confidentiality obligations or by any act or fault of the *Proponent*;
- (b) information which was in the *Proponent's* possession prior to its disclosure to the *Proponent* by *The City*, and provided that it was not acquired by the *Proponent* under an obligation of confidence; or
 - (c) information which was lawfully obtained by the *Proponent* from a third party without restriction of disclosure, provided such third party was at the time of disclosure under no obligation of secrecy with respect to such information.

3.7.4 Copyright and Use of Information in Proposals

(1) *Proponents* must not use or incorporate into their *Proposals* any concepts, products or processes that are subject to copyright, patents, trademarks or other intellectual property rights of third parties unless the *Proponents* have, or will procure through licensing without cost to *The City*, the right to use and employ such concepts, products, and processes in and for the *Project*.

(2) All requirements, designs, documents, plans, and information supplied by *The City* to the *Proponents* in connection with the *RFP* are and will remain the property of *The City*. 3.8 **Conflict of Interest and Ineligible Persons**

3.8.1 Conflict of Interest

(1) If a *Proponent*, a *Proponent Team Member*, or any of their respective *Advisors*, prior to or following submission of the *Proponent's Proposal*, discovers any *Conflict of Interest*, the *Proponent* must promptly disclose the *Conflict of Interest* to *The City* in a written statement to the *City Contact*. This obligation continues until the end of the *RFP Process*.

(2) *Proponents* must disclose in the *Proposal Submission Form* all *Conflicts of Interest* whether or not the *Conflict of Interest* has been disclosed to *The City* prior to the submission of *Proposals*.

(3) At the request of *The City*, the *Proponent* will provide *The City* with the *Proponent's* proposed means to mitigate and minimize to the greatest extent practicable any *Conflict of Interest*. The *Proponent* will submit any additional information to *The City* that *The City* requests from the *Proponent* because *The City*, in its sole discretion, considers the information necessary to properly assess the *Conflict of Interest*.

(4) *The City* may, in its sole discretion, exclude any *Proponent*, *Proponent Team Member*, or their *Advisors* from participating in the *RFP Process* on the grounds of *Conflict of Interest*.

(5) Without limiting the generality of Section 3.8.1, *The City* may, in its sole discretion, require the *Proponent*, *Proponent Team Member*, or their *Advisors* to substitute a new *Person* for the *Person* giving rise to the *Conflict of Interest* and the provisions of Section 3.5 will apply to such substitute.

(6) *The City* may, in its sole discretion, waive any *Conflict of Interest*. A waiver may be upon such terms and conditions as *The City*, in its sole discretion, requires to satisfy itself that the *Conflict of Interest* has been appropriately managed, mitigated, and minimized, including requiring the *Proponent* to put into place such policies, procedures, measures, and other safeguards as may be required by and be acceptable to *The City*, in its sole discretion, to manage, mitigate, and minimize the impact of such *Conflict of Interest*.

3.8.2 Ineligible Persons

(1) The *Ineligible Persons* listed in the *Information Table*, as well as their employees, former employees who have any information relating to this *Project*, *Affiliates*, and any of their subcontractors, *Advisors*, consultants, or representatives engaged in respect of this *Project*, are not eligible to participate as a *Proponent*, *Proponent Team Member* or *Key Personnel*. Further, they may not advise or assist a *Proponent* or a *Proponent Team Member* in any way in relation to the *RFP Process* or the *Project*.

(3) A *Proponent* may seek *The City's* permission to allow an *Ineligible Person's* *Affiliate* or former employee to participate as a *Proponent Team Member*, *Key Personnel* or *Advisor* to the *Proponent*. To request permission, a *Proponent* must submit a request for permission to the *City Contact* as early as possible that includes the following:

(4) Upon receipt of a request pursuant to Section 3.8.2(3), *The City* will, in its sole discretion, make a determination as to whether:

- (a) it considers there to be a *Conflict of Interest*; and
- (b) the *Conflict of Interest* can be managed, mitigated or minimized.

(5) If *The City* has determined, in its sole discretion, that an *Affiliate* or former employee of an *Ineligible Person* or *The City* has a *Conflict of Interest*, the impact of which cannot be properly managed, mitigated or minimized, *The City* will add the name of the *Affiliate* or other *Person* to the *Ineligible Persons* list by *Addendum*.

(6) *The City* may, in its sole discretion, waive the ineligibility of a potentially *Ineligible Person*, an *Affiliate* or former employee on such terms and conditions as *The City*, in its sole discretion, may require.

3.9 **Proponent Costs**

(1) The *Proponent* and the *Proponent Team Members* will bear all costs and expenses incurred by them relating to any aspect of their participation in the *RFP Process*.

(2) Subject to Section 9.1(1), *The City* is not liable to pay any costs or expenses of any *Proponent* or to reimburse or compensate a *Proponent* under any circumstances, regardless of the outcome of the *RFP Process*.

(1) During the *RFP Process*, the *Proponent* is required to obtain, and, where applicable, to cause all of their respective *Proponent Team Members* and other *Persons* listed in this Section 3.10.1(1) to obtain, and at all times keep and maintain in force the insurance set out in Section 3.10.1(1), whenever the *Proponent*, a *Proponent Team Member*, or any of their respective directors, officers, employees, consultants, *Advisors*, agents or representatives are present at the *Project Site*, or at any facilities or premises of *The City* for any purpose whatsoever:

- (a) Commercial General Liability insurance, having an inclusive limit of not less than **\$5,000,000** for each occurrence or accident and covering all sums which the *Proponent*, a *Proponent Team Member* or any of their respective representatives may become legally obligated to pay for damages as a result of bodily injury (including death at any time resulting there from) sustained by any *Person* or *Persons* or because of damage to, destruction of, or loss of use of property caused by an occurrence or accident arising out of any operations or activities carried out in connection with the *RFP* or *RFP Process*. The policy or policies must include:
 - (i) Motor Vehicle Liability insurance, in the amount of \$2,000,000 per accident, for vehicles used by *Proponents* or *Proponent Team Members* (or their respective directors, officers, employees, consultants, *Advisors*, agents and representatives) while on or at the *Project Site*, or at any facilities or premises of *The City*.

(2) As a condition of allowing access to the *Project Site*, or to the facilities or premises of *The City*, *The City* may, in its sole discretion, require *Proponents* to provide a certificate of insurance acceptable to *The City* evidencing that the insurance required by Section 3.10.1 is in place.

(3) All insurance policies required to be maintained by *Proponents* must provide that the insurance will not be cancelled, or materially changed to restrict coverage without the insurer endeavouring to give at least 30 Days prior written notice to *The City*.

(4) *Proponents* are responsible for all deductibles that may apply in any of the required insurance policies pursuant to this Section 3.10.

(5) By participating in the *RFP Process*, the *Proponent* confirms that *The City's* insurance requirements will not be construed and will not, in any manner, limit or restrict the liability of the *Successful Proponent*.

3.10.2 Applicable Law and Insurance during the RFP Process

(1) As a condition of allowing access to the *Project Site*, or any facilities or premises of *The City*, *The City* may, in its sole discretion, require *Proponents* to provide evidence acceptable to *The City* that:

Section 4 – SUBMISSION, WITHDRAWAL, AND MODIFICATION OF THE PROPOSAL

4.1 Proposal Submission

(1) Each *Proponent* must submit its *Proposal* on or before the *Submission Deadline*. For the purposes of the *RFP*, the determination of whether the *Proposal* has been submitted on or before the *Submission Deadline* will be based on the time and date recorded by *MERX*. *Proposals* will not be accepted after the *Submission Deadline*.

(2) *Proponents* must submit *Proposals* electronically on *MERX*. The electronic copy as submitted on *MERX* and downloaded by *The City* will be the “Original Copy” of the *Proposal*. The receipt provided electronically by *MERX* upon submission of a *Proposal* will indicate the date and time of submission and serve as confirmation of submission.

(3) *Proponents* should allow sufficient time to upload *Proposals* and to resolve any issues that may arise regarding the electronic submission prior to the *Submission Deadline*. Each *Proponent* is solely responsible to ensure that the *Proposal* is submitted prior to the *Submission Deadline* and that the uploaded *Proposal* is not defective, corrupted, or blank and that the submitted documents can be opened and legibly viewed by *The City*.

(4) *The City* may reject any *Proposal* where any documents contained in the *Proposal* cannot be opened or legibly viewed by *The City*. *Proposals* will not be opened publicly.

(5) As further set out in Section 6.2.1, each *Proposal* must include a duly signed *Proposal Submission Form* (Appendix B).

(6) For clarity, a “duly signed” *Proposal Submission Form* includes a *Proposal Submission Form* that is signed with a handwritten signature or, pursuant to the *Electronic Transaction Act S.A. 2001, c.E-5.5*, an *Electronic Signature*.

(7) By submitting a *Proposal Submission Form* with an *Electronic Signature*, the *Proponent* is deemed to consent to use and acceptance of such *Electronic Signature* and acknowledges that such *Electronic Signature* will have the same force and effect as a handwritten signature.

4.2 Withdrawal or Amendment of Proposals

(1) *Proponents* may amend their *Proposal* prior to the *Submission Deadline* by using the “Withdraw Bid” button on *MERX* to withdraw their complete *Proposal*. *Proponents* may then submit an amended *Proposal* if desired, prior to the *Submission Deadline*, by following the rules and procedures for submission.

4.4 Proposal Irrevocability

(1) Subject only to the *Proponent's* right to withdraw its *Proposal* prior to the *Submission Deadline* in accordance with Section 4.2, each *Proposal* is irrevocable and must remain in effect and open for acceptance by *The City* for the *Proposal Validity Period*.

(3) If, in completing the information or prices to be submitted by the *Proponent* in accordance with these *RFP Documents*, the *Proponent* has struck out, revised, erased, or made similar alterations to its *Proposal*, an authorized representative of the *Proponent* must initial each alteration made.

5.2 Investigation by the Proponent

(1) *Proponents* are solely responsible for carefully examining all of the *RFP Documents*, and any maps, plans, drawings, and data referred to in the *RFP Documents* and are solely responsible for carefully examining the *Project Site*, the premises adjacent thereto and the access to the *Project Site*. Failure by a *Proponent* to do so will not be accepted as a basis for changes to the *Work* or extensions to any deadlines under the *Agreement*.

(2) *Proponents* will carry out all investigations necessary to inform themselves thoroughly as to the character and magnitude of the *Work*, the facilities for delivering, placing, and operating the necessary machinery and equipment and for delivering and handling products and equipment at the *Project Site*.

(3) *Proponents* will be responsible for informing themselves as to the conditions that may prevail at the location of the *Work* and work being carried out on nearby or adjacent locations that may affect the *Work*.

In lieu of a *Consent of Surety* or *Bid Bond*, *The City* may, in its sole discretion, accept from a financial institution acceptable to *The City* one of the following:

- (a) a bank draft, certified cheque, irrevocable letter of credit, or guarantee, along with any additional documentation *The City* may require; or
- (b) a letter that a bank draft, certified cheque, irrevocable letter of credit, or guarantee will be provided upon the request of *The City*.

(2) Failure by a *Proponent* to provide additional required documentation in accordance with this Section 5.3(1) will result in *The City*, in its sole discretion, electing to discontinue consideration of the *Proponent's Proposal* in the *RFP Process*.

Section 6 - EVALUATION, CLARIFICATION AND VERIFICATION OF PROPOSALS

6.1 Evaluation Committee and Advisors

(1) *The City* will establish an *Evaluation Committee*. *The City*, in its sole discretion, will determine the size, structure, and composition of the *Evaluation Committee*. The *Evaluation Committee* may be assisted by and receive advice from any of *The City's Advisors*, and any other employees or representatives of *The City* in any manner determined necessary or desirable by *The City*.

(2) If a member of the *Evaluation Committee* becomes unable to continue serving on the *Evaluation Committee* before the completion of a step in the evaluation process, the evaluation comments and scores of that individual, in respect of the uncompleted steps in the evaluation process only, will be ignored. Whether or not an *Evaluation Committee* member, in these circumstances, is replaced is in the sole discretion of *The City*.

6.2 Steps in the Evaluation Process

6.2.1 Step 1 – Review of Proposal Contents

(1) *The City* will review the contents of each *Proposal* and will determine whether it is in compliance with the requirements set out in Section 5.1.

(2) If, in the sole discretion of *The City*, a *Proposal* that does not comply with the requirements of the *RFP Documents*, *The City* will, without liability, cost, or penalty reject the *Proposal* and will not consider the *Proposal* further in the *RFP Process*. For the purposes of the *Proposal*, “comply” and “compliance” means that the *Proposal* conforms to the requirements of the *RFP Documents* without material deviation. A “material deviation” in a *Proposal* is any failure to comply with a *RFP Document* requirement that, in the sole discretion of *The City*:

- (a) impedes, in any material way, the ability of *The City* to evaluate the *Proposal*;
- (b) affects *The City’s* ability to enforce the *Proponent’s* obligations pursuant to the *RFP Documents*; or
- (c) constitutes an attempt by a *Proponent* to revise *The City’s*, or the *Proponent’s* rights or obligations under the *RFP Documents*.

(3) A requirement in this *RFP* or in the appendices to this *RFP* that a *Proponent* “must” or “shall” do something is not intended to supersede this Section 6.2.1 or, for greater clarity, to supersede the concepts of “comply”, “compliance”, or “material deviation” set out in this Section 6.2.1.

6.2.2 Step 2 – Review of the Proposal Submission Forms

(1) *The City* will review the Proposal Submission Form (Appendix B) to:

- (a) ensure that there have been no changes to the *Prequalified Parties* from any *Prequalification Submissions*, and apply the provisions of Section 3.5; and

(2) *The City* may:

- (a) require a *Proponent* to clarify or verify the contents of its *Proposal* or any statement made by the *Proponent*;
- (b) require a *Proponent* to submit supplementary documentation clarifying or verifying any matters contained in its *Proposal*; and
- (c) seek a *Proponent’s* acknowledgement of *The City’s* interpretation of the *Proposal* or any part of the *Proposal*.

(3) *The City* is not obliged to seek clarification or verification of any aspect of a *Proposal* or any statement by a *Proponent*, including an ambiguity in a *Proposal* or in a statement made by a *Proponent*.

(4) Any written information received by *The City* from a *Proponent* pursuant to a request for clarification or verification from *The City* as part of the *RFP Process* may, in *The City’s* sole discretion, be considered part of the applicable *Proposal*.

6.2.3 Step 3 – Review and Scoring of the Technical Submission

(1) The *Evaluation Committee* will evaluate and score the *Technical Submission* using the evaluation criteria set out in Part 1 and Part 2 of *RFP Appendix G* in order to establish a *Technical Submission* score (“**Technical Submission Score**”). If a *Proponent* must receive a *Minimum Technical Submission Score* it will be set out in the *Information Table*.

6.2.4 Step 4 – Review and Scoring of the Financial Submission

(1) The *Evaluation Committee* will evaluate and score the *Financial Submission* in accordance with the evaluation process and evaluation criteria set out in Part 1 and Part 3 of *RFP Appendix G* and *RFP Appendix C*, as applicable, in order to establish a *Financial Submission* score (“**Financial Submission Score**”). For clarity, if a *Minimum Technical Score* is applicable to the *RFP Process*, *The City* will only evaluate and score the *Financial Submissions* of *Proponents* that have achieved the *Minimum Technical Score*.

6.2.5 Step 5 – Establishing a Final Proposal Score

(1) The *Evaluation Committee* will apply the weightings set out in the *Information Table* to the *Technical Submission Score* and *Financial Submission Score* in order to establish a final *Proposal* score.

6.2.6 Step 6 – Final Ranking of the Proponents

(1) The *Evaluation Committee* will rank the *Proponents* based on the final *Proposal* score.

(2) In the event of a tie in the final *Proposal* score between two *Proponents*, *The City* may, in its sole discretion, give the higher ranking to the *Proponent* with the higher *Financial Submission Score*.

Section 7 - GENERAL EVALUATION AND DISQUALIFICATION PROVISIONS

7.1 **Determining Compliance, Scoring and Ranking**

(1) *The City* will, in its sole discretion, determine:

RENEWABLE PERFORMANCE BOND FOR A MULTI-YEAR CONTRACT

Surety Company's Bond No. _____ Bond Amount: _____

_____ as Principal, hereinafter called the Principal, and

_____ a corporation created and existing under the laws of Canada and duly authorized to transact the business of Suretyship in Canada as Surety, hereinafter called the Surety, are held and firmly bound unto _____ as Obligee, hereinafter called the Obligee, in the amount of _____ Dollars (\$ _____) lawful money of Canada, for the payment of which sum the Principal and the Surety bind themselves, their heirs, executors, administrators, successors and assigns, jointly and severally.

WHEREAS, the Principal has entered into a written multi-year contract with the Obligee, dated this _____ day of _____, in the year _____ for RFP No. _____ – for the _____ for the term _____ to _____ (hereinafter referred to as the "Contract").

The condition of this obligation is such that if the Principal shall promptly and faithfully perform that portion of the Contract that corresponds with the Initial Term or Renewal Term (as those terms are defined herein), as the case may be, then this obligation shall be null and void; otherwise it shall remain in full force and effect, subject, however, to the following conditions:

1. Whenever the Principal shall be, and declared by the Obligee to be, in default under the Contract, the Obligee having performed the Obligee's obligations thereunder, the Surety shall promptly:
 - (a) remedy the default for the Initial Term or Renewal Term, as the case may be; or
 - (b) complete that portion of the Contract that corresponds with the Initial Term or Renewal Term, as the case may be, in accordance with the terms and conditions of the Contract; or
 - (c) obtain a bid or bids for submission to the Obligee for completing that portion of the Contract that corresponds with the Initial Term or Renewal Term, as the case may be, in accordance with the terms and conditions of the Contract and upon determination by the Obligee and the Surety of the lowest responsible bidder, arrange for a contract between such bidder and the Obligee and make available as work progresses (even though there should be a default, or a succession of defaults, under the contract or contracts of completion arranged under this paragraph) sufficient funds to pay to complete that portion of the Contract that corresponds with

the Initial Term or Renewal Term, as the case may be, in accordance with the terms and conditions of the Contract and to pay those expenses incurred by the Obligee as a result of the Principal's default relating directly to the performance of the work under that portion of the Contract that corresponds with the Initial Term or Renewal Term, as the case may be, less the balance of the Contract price, but not exceeding the Bond Amount. The balance of the Contract price is the total amount payable by the Obligee to the Principal under the Contract for that portion of the Contract that corresponds with the Initial Term and all Renewal Terms, as the case may be, less the amount properly paid by the Obligee to the Principal; or

- (d) pay the Obligee the lesser of (i) the Bond Amount or (ii) the Obligee's reasonable proposed cost of completion for that portion of the Contract that corresponds with the Initial Term or the Renewal Term, as the case may be, less the balance of the Contract price.
2. The term of this Bond is for the period beginning on _____ and ending on _____ (the "Initial Term"). If requested by the Principal, the Initial Term may be extended, solely at the option of the Surety, for additional one (1) year periods (each a "Renewal Term"). This Bond shall expire at the end of the Initial Term or, if extended, at the end of the Renewal Term. Provided that at any time should the surety elect not to extend the bond for a Renewal Term, it must so inform the Obligee in writing prior to ninety (90) days before the expiry of the existing Initial Term or Renewal Term. If the surety does not so inform the Obligee of its intention not to extend the bond as stated herein, the bond will automatically be deemed extended for an additional Renewal Term.
3. The Surety shall not be liable and no right of action or claim shall accrue on this Bond as a result of:
- (a) the expiry of the Initial Term or Renewal Term, as the case may be, notwithstanding that such expiry of the term of this Bond may constitute a failure by the Principal, directly or indirectly, to promptly and faithfully perform any provision of the Contract; or
- (b) any default that occurs after, or extends beyond, the expiry of the Initial Term or Renewal Term as the case may be.
4. No right of action or claim shall accrue on this Bond to, or for the use of, any person or corporation other than the Obligee named herein, or the heirs, executors, administrators or successors of the Obligee.
5. It is a condition of this Bond that any suit or action must be commenced before the expiration of two (2) years from the earlier of (1) the expiry of the Initial Term or the last Renewal Term; or (2) the date on which the Principal is declared in default by the Obligee.

- 6. The Surety shall not be liable for a greater sum than the Bond Amount.
- 7. The Bond Amount is not and shall not be deemed to be cumulative in the event the Bond is extended for a Renewal Term(s).
