# Visit [calgary.ca/taxcalculator](https://calgary.ca/taxcalculator) for your property tax bill breakdown

- Provincial and City tax changes
- Calculate your yearly tax
- Learn where your tax dollars are invested in City services

## Tax Instalment Payment Program (TIPP)

Make budgeting easier, pay your property tax monthly.

Currently on TIPP? Learn how your TIPP instalment adjustments are calculated each January and July at [calgary.ca/TIPP](https://calgary.ca/TIPP)

## City investment highlights

Your feedback guided service improvements in several areas including:

### Affordable housing

300 new homes planned that will help support 1,200 Calgarians.

### Public safety

56 firefighters, Transit security and downtown park safety.

### Snow and ice control

Enhanced road and sidewalk clearing.

### Downtown Strategy

Capital investments to aid our city's economic recovery and revitalization.
