A Health Care Professional is a person currently licensed, certified, or registered to practice a profession by the appropriate licensing, certification or registration authority in the jurisdiction where the care or services are provided. If no such authority exists, has a certificate of competency from the professional body that establishes standards of competency and conduct for the profession, and is acting within the scope of that license.

This is not a comprehensive list of all eligible services covered under the Extended Health Care Plan. Please contact Alberta Blue Cross at 1-800-661-6995 for further information.
