Bankview Community Association
Ward 8 office Board Report
November 12, 2026

General Updates and Info	
Community Garden	What is the latest with this and how can we help? The last update I had received is that it has been cancelled but would like to hear from the CA on this.
Bankview Playground	This should now be open. It was originally supposed to be completed in the summer, but there were some defeciences on behalf of the contractor after inspection that needed to be remedied before opening. These were to be addressed earlier this month, with the park opening asap after that.
