

### **Prohibited Noxious and Noxious Species**

Species that are legislated under the *Alberta Weed Control Act* are prohibited in the Sanctuary, both by the Sanctuary itself and through provincial law. Provincial law tries to control or eradicate species under this act due to their ability to spread and displace native plants. Visit [http://www.invasiveplants.ab.ca/AB\\_WeedAct.htm](http://www.invasiveplants.ab.ca/AB_WeedAct.htm) for a listing of provincially legislated species or review the list below. Please do not use any of these plants in floral arrangements or bouquets.
