RFP - 78 Avenue Project

- To enhance safety in the vicinity of the future Ogden LRT Station, the following improvements are planned to be completed as Enabling Works:
 - 78 Ave SE will become the new access to Ogden Dale Road SE
 - A pedestrian tunnel will connect pedestrian traffic from Ogden Station to Ogden Dale Road SE and
 - The existing at grade crossing located at 69 Ave SE will be closed between Ogden Road SE and Ogden Dale Road SE
- 78 Avenue Project construction is scheduled to start this summer
