PROJECT COMMUNICATION

WE ARE INVESTING IN COCHRANE

- \$344M over next 10 years
- \$86M over next 3 years
- Will continue to evolve as projects are added/amended/costed/strategized for

A photograph of a construction site with several large pieces of heavy machinery, including rollers and compactors, on a dirt road. The machines are in various colors like orange, yellow, and white. The background shows a hazy landscape with some buildings and hills.

INVESTMENT IMPACT

Capital projects are an investment in our community as envisioned in the Strategic Plan.

- Building organizational capacity to deliver capital projects
- Engineering and Asset Management Section
- Procurement policy and specialist position

A close-up photograph of tall grasses with seed heads, likely a type of wild grass or reed. The grasses are green and have long, thin blades. The seed heads are brown and fuzzy, with many small, light-colored seeds. The background is a soft, out-of-focus green.
