Public Spaces Delivery - Overview

What do we do?

We deliver the detailed design and construction phases of capital projects including:

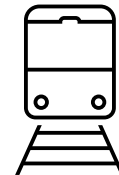

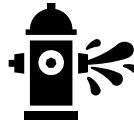

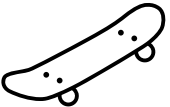

- Roads & bridges
- Public buildings & recreational amenities
- Parks & open spaces
- Urban Community Spaces
- Major transit systems
- Walking & wheeling infrastructure
- Geotechnical & slope stability

How we do it?

Through productive partnerships, internal and external, with a focus on safety, efficiency and great outcomes

Why does it matter?

- ✓ We help make Calgary **a great place to live**
- ✓ Our projects help **keep Calgarians safe**
- ✓ We **support our City's needs** - both today and for our future

Calgary

GamePLAN: Reimagining Public Recreation

Council approved \$28.7 million in the 2026 budget to advance planning and design for key GamePLAN projects across the city:

- Rocky Ridge Fieldhouse
- Umoja Community Mosaic Soccer Field
- New Brighton Athletic Park field
- Forest Lawn Civic Centre Phase 2
- Southland Leisure Centre Redevelopment
- Belmont Recreation Centre and Athletic Park
- Kingsland Athletic Park
- Shouldice Athletic Park

An aerial architectural rendering of the Northeast Athletic Complex. The complex features a large green soccer field with white markings, a smaller green field with a black roof, and a parking lot with several cars. The area is landscaped with trees and greenery. In the top left corner, there is a red box with the word "Calgary" and a black box with the Calgary logo.

Calgary

Northeast Athletic Complex

Year-round recreation | Community connection

Added \$65M investment allocated by Council in the
