

Physical Distancing on Elevators

Please keep at least **2 metres (6 feet)** apart from others.

There should only be **2 people** on the elevator at a time. If passengers are members of the same household - more than 2 can ride.

CHC is increasing the frequency of cleaning on elevators and other public spaces. As an extra precaution, you should **wash your hands with soap and water or use hand sanitizer** after touching buttons, railings or other surfaces in public.
