Good Guest Guide

What to expect from your
short-term rental experience

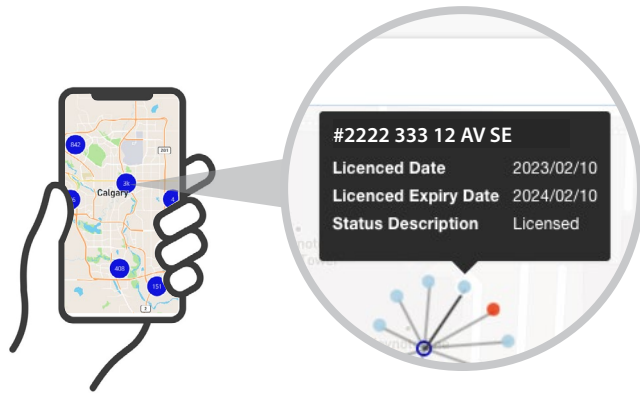

Introduction

This guide gives guests of short-term rentals an idea about what to expect from their rental experience in Calgary and offers a few suggestions about what to do while visiting.

The City of Calgary requires all short-term rentals to be licenced under the Business Licence Bylaw 32M98. The City requires all hosts to post their licence number in all advertising. Look for your prospective rental's business licence number on the website where you booked your short-term rental to ensure it's licensed or check the property's licence status on **The City's Open Data Portal** by scanning the QR code below:

What to look for in your accommodation

Under Calgary's Business Licence Bylaw, your host is required to ensure safety standards are in place. Here is an overview of what you can look for:

- The room you are sleeping in must have at least one window that can be fully opened and used as an alternative escape route in the event of an emergency with the exception of multi-storied apartment/condo buildings and lofts that have existing fire and life safety measures.
- No more than two people to sleep in each room.
- Hosts cannot accept more than one booking for the same accommodation at one time; however, one person can make the reservation on behalf of a group.
- Hosts must provide emergency contact information to guests in a visible location.
- Hosts must post a home escape plan for the property in a visible location, clearly showing exits, fire extinguishers, smoke and carbon monoxide alarms on the floorplan.
- Your host must keep record of the booking guest's information which includes name, email address and total number of guests.

In addition to the requirements above, your host is required to follow the safety standards identified through The City's fire safety inspection.

A Good Guest, a Good Neighbour

The City of Calgary has bylaws in place to ensure good neighbour relations and to help keep communities safe and enjoyable for residents and visitors. The City's web site has a host of information to address specific questions at calgary.ca/goodneighbour.

Here are a couple things to be aware of:

■ Noise

Sound is restricted to certain levels during the daytime and at night. Please turn down music and reduce noise levels between 10 p.m. and 7 a.m. Monday to Saturday and 10 p.m. to 9 a.m. on Sundays and holidays.

■ Permitted vehicle parking

Like all major cities, knowing where to park can help make your stay in Calgary more enjoyable. Some residential streets in Calgary have areas designated for permit parking only. In these areas, your host must register your licence plate number with The Calgary Parking Authority. Parking in these areas without being registered may result in a parking fine. If signage is not listed, parking is free in residential neighbourhoods.

■ Park Plus System

Instead of parking meters, Calgary uses the Park Plus System in the downtown and surrounding areas. Signs are posted on streets and in parking lots and parkades where this pay system is used indicating the zone number and maximum length of parking. When you see one of these signs, take note of the parking zone number and your licence plate—this information will be required at the pay machine.

You may also choose to download the Park Plus App and manage your parking that way.

Visit calgaryparking.com for more information about parking in Calgary.

Waste and recycling

Calgary has a waste and recycling program. All residential homes are provided with three separate bins for waste disposal, see image below. Condominiums may have a different waste and recycling arrangement. Get acquainted with what goes where at your rental at the start of your stay.

Your host should provide access to these disposal bins to help divert waste from landfills. Under the Calgary Community Standards Bylaw it is an offence to allow garbage and waste to accumulate in yards. The City provides a searchable web page to help residents sort waste at calgary.ca/WhatGoesWhere.

What To Do in Calgary

Our city has a wealth of recreation opportunities and exciting local attractions. This guide lists a few ideas of what to do in Calgary. For a more extensive list of all our city has to offer, visit visitcalgary.com or one of the web sites listed below.

Sightseeing and exploring

- Hop on an e-scooter and explore the East Village and Calgary's riverwalk that follows the Bow River as part of a pathway system that extends over 900 kilometres throughout Calgary.
- Take in one of the many festivals and events during the summer months at Prince's Island Park or head to nearby Chinatown to explore local shops, grab a bubble tea or enjoy a round of Asian cuisine.
- Learn about Calgary's history and historic buildings through self-guided walking tours. Go to calgary.ca/heritage and look under Heritage resources and links.
- Calgary has a lively brewery industry. You can sample some of our award-winning beer and cider in many corners of the city. Go to visitcalgary.com and view their Calgary Beer Map.
- Calgary also has a thriving arts and culture community that includes art galleries, art walk events, a variety of professional performing arts companies, including the Alberta Ballet. Visit calgaryartsdevelopment.com for information and a calendar of events.
- Walk and shop along Stephen Avenue, 17th Avenue S.W., 4th Street S.W., throughout Inglewood or Kensington then stop to savour one of Calgary's many great restaurants, bars, pubs and brewpubs. Or visit one of our major malls in every quadrant of the city.
