

Accessible Taxi Incentive Program

TNC Information Session
2018 November 22

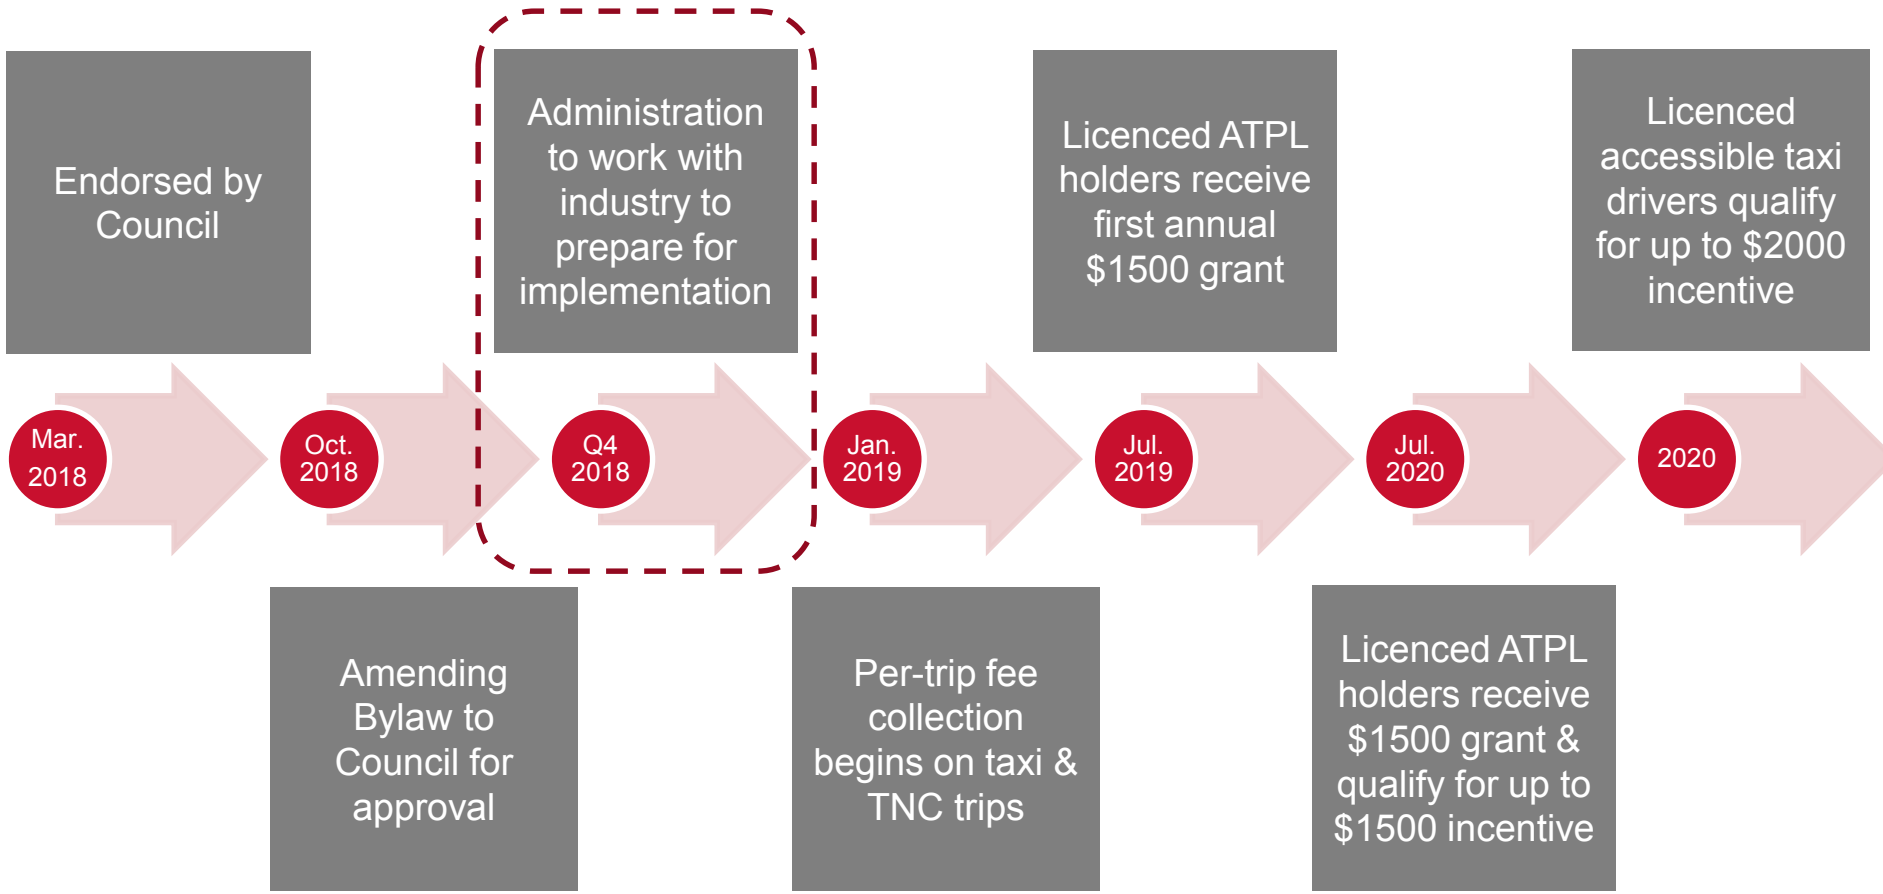

Goals of Accessible Taxi Incentive Program

1. Improve service to customers requesting on-demand wheelchair accessible taxis
2. Reduce costs of purchasing and operating wheelchair accessible vehicles
3. ATPL holders and accessible drivers are incented to improve 24/7 on-demand wheelchair accessible service delivery to qualify for the annual incentive

Accessible Taxi Incentive Program

Estimated life of vehicle of 8+ years = **\$40,000** or more

ATPL Licence Fee remains at \$0 (\$900 in annual savings compared to TPL or **\$7200+** over estimated life of vehicle)

TNC Responsibilities

- Submit data requested by the Chief Livery Inspector for reporting or auditing requirements for program
- Ensure all APPS and receipts are updated to inform the customer of the per-trip fee
- Remit to The City of Calgary all regulatory charges collected from all trips

Process for Remitting Fee

- Remittance to occur quarterly
- LTS will confirm monthly trip volume with TNC
- Upon confirmation, invoice will be processed
- TNC pays invoice in accordance with terms

Next Steps

1. LTS will confirm per-trip fee when Council budget deliberations are complete
2. TNC will update APP to include per-trip fee
3. Collection of per-trip fee begins 2019 January
