

PUBLIC VEHICLE FOR HIRE

BULLETIN #022 MECHANICAL INSPECTIONS

2022 OCTOBER 19

INDUSTRY PARTNERS,

Safety of the travelling public is key in the vehicle for hire industry and the vehicle's mechanical inspection plays an important role. As a reminder, all vehicles set up and licensed by Vehicle for Hire Services for Taxi, Limousine and Transportation Network Companies must provide a valid mechanical inspection, regardless of vehicle age or kilometers, as per Livery Transport Bylaw 20M2021:

138. (1) *A Person must not operate a Taxi, Accessible Taxi or Limousine without a valid and subsisting Inspection Certificate.*
- (2) *A Person must not allow a Taxi, Accessible Taxi or Limousine to be operated without a valid and subsisting Inspection Certificate.*
