

Emergency Preparedness Activity

B	I	N	G	O
Ensure items on balconies are secured.	Name three risks you need to be prepared for in Calgary.	Look up the phone number you'd call if you smell gas (rotten egg smell) in your home.	Make copies of your important documents (passport, birth certificates, etc.)	Check the batteries in smoke detectors.
Where is your outside meeting point if you need to evacuate your home?	Visit calgary.ca/getready	Take the Ready Squad course calgary.ca/readysquad	Do you know where your water shut off valves are located?	Map two routes you can use to quickly evacuate your home in an emergency.
Make copies of your important documents (passport, birth certificates, etc.)	Do a practice fire drill with everyone in your household.		Create an emergency action plan. Use the Are You Ready template on calgary.ca/getready	Ensure downspouts are pointed away from your house and are cleaned out.
Ensure downspouts are pointed away from your house and are cleaned out.	Do you know where your water shut off valves are located?	Do you know your neighbours and whether they would require help to evacuate in the event of an emergency?	Where is your outside meeting point if you need to evacuate your home?	Ensure items on balconies are secured.
