

Transitional Housing for Families with Children

Shawnee Slopes Drop-In Information Session

In September 2023, Council approved **Home is Here: The City of Calgary's Housing Strategy 2024-2030**. The strategy contains 98 actions to address the housing crisis and create more homes in all shapes and sizes in all neighbourhoods to ensure every Calgarian has an affordable place to call home.

One of those action items directs Administration to dedicate two city-owned sites at no cost to develop transitional housing for families with children who are at risk of or are experiencing homelessness, bridging the gap between homelessness and permanent housing.

One of the sites is located on a portion of land at 14320 6 Street S.W. in the community of Shawnee Slopes, on the west side of Fish Creek LRT Station. Community members are invited to attend a drop-in information session to learn more about the project.

February 26, 2024 | 7-9 p.m.

South Gate Alliance Church (1436 James McKeivitt Rd S.W.)

Organized in collaboration with

23-0035395 ADV-26497
