

# 2021 Community Outdoor Summer Programs

Looking for some fun, FREE outdoor activities for children, youth and families this summer? These safe, supervised programs are great for making new friends and learning new activities.

This year, you must pre-register for many of our programs. This helps us limit the number of participants in each program so we can practice proper physical distancing. Please stay home if you or your child is feeling unwell.

For more information on health and safety guidelines, please visit [calgary.ca/free](http://calgary.ca/free).

Please note these programs and events are weather dependent.
