Please identify which type of		Existing project or initiative
project/initiative is being implemented		Enhancements to an existing project or initiative
(Select only one)		Limancements to an existing project of illitiative
(Secret only one)	$\vdash$	New or innovative project or initiative
		New or innovative project or initiative

Crisis response approach (Select the crisis response approach which most closely aligns with project or initiative - select only 1)	Primary Crisis Response: providing immediate support to a Person in Crisis within the first 24 hours of reaching out for help.  Secondary Crisis Response: providing coordinated access to immediate services (housing supports, psycho-social supports, etc.) as well as follow-up, with a focus on case management in the immediate aftermath of when the crisis has occurred.
Priority Outcome Area (Please select the primary outcome area most aligned or relevant with your proposed project/initiative – select only one)	<b>Improved crisis triage:</b> programs and services that direct a person in crisis to get to the right service at the right time.
	Increased availability of 24/7 non-emergency support and outreach services: crisis services and programs other than emergency services (Police/EMS/Fire) that are accessible 24 hours a day, 7 days a week.
	Increased access to community and peer support programs: crisis response programs that address gaps in services to diverse communities.
	Integrated case management: crisis response services and programs that are collaborative, coordinated and client-centered, meeting the unique needs of clients/participants

Project Flow Through & Capacity					
How many participants will be served in your project annually? What is the maximum number of participants that					
your initiative/project can serve at one time?  Text, Required, 3000 characters max					
rext, required, 3000 characters in	UX				
Systems Integration:					
How does this proposed initiative/project align with existing crisis projects and services available in the community?					
·		ect apart from others (unique value proposition)? How will this			
initiative/project work with others in the community?					

Text, Optional, 3000 characters max

# **Project Safety:**

Please describe how your proposed initiative/project will foster an environment of psychological safety among project participants, between staff and project participants, as well as for other community members.

Text, Required, 3000 characters max

#### **Evaluation and Outcome Measurement**

Priority Outcome	
(Select the outcome area most	Outcome 1: Improved Crisis Triage
aligned or relevant to your proposed initiative and the corresponding indicators which	☐ Indicator: Improved access for Calgarians to services through coordinated points of access.
will be measured throughout project delivery, required	☐ Indicator: Reduction in total time spent (hours) by client waiting for initial services.
	$\square$ Indicator: Number of calls diverted from 911
Response should correlate with Question #)	☐ Project will develop its own indicators
	Outcome 2: Integrated Case Management
	☐ Indicator: Improved access to shared data between organizations that facilitate client care.
	☐ Indicator: Improved ability to provide uninterrupted, coordinated care/service across projects, practitioners, organizations, and levels of care/service, over time.
	☐ Project will develop its own indicator
	Outcome 3: Increased Availability of 24/7 Non-Emergency Support & Outreach Services
	$\hfill\square$ Indicator: Response wait time (minutes) for client in crises to receive services.
	☐ Project will develop its own indicators
	Outcome 4: Increased access to community and peer support projects
	☐ Indicator: Indicator: increase # of clients served in appropriate languages, by diverse community.
	☐ Indicator: Increase # of clients served through peer/lived experience support
	☐ Project will develop its own indicator

## **Project Measurement & Evaluation**

Describe which additional outcomes and indicators will be tracked as part of this project?

Text, 2000 characters max, optional

If developing project-specific indicators, provide the metric and how these outcomes will be reported.

Text, 2000 characters max, required

## Reflections

How will your organization communicate the positive impact of CSIF funding in the community?

Text, 1000 characters max, required

In the spirit of continuous improvement, what feedback can you offer us regarding this application process?

Text, 1000 characters max, optional

What are the implications to this project and organization if you do not receive the full amount requested?

Text, Required, 1000 characters max
