### 7. Number of Contacts
This is for services where no client file is opened. It includes but is not limited to: telephone inquiries, drop-ins, one-time assistance with forms or referrals, participation in one-time information or education sessions, participation in community events, etc. The impact of these services is NOT measured and not reflected in the FSII database.
- Do NOT include the number of times a worker meets with a client from the ‘individual clients/participants served’ category.
- Do NOT include the number of web hits received.
- Do NOT include the number of newsletters or brochures distributed.

**Required, number**

### 8. Comments regarding Contacts.
Only if you have additional information you would like to share.
Optional, 4000 char
Volunteer Number and Hours:

9. Total number of Volunteers.
Indicate the number of volunteers that provided support that directly benefits your program (e.g., volunteers who provide administrative support, direct program support, governance, fundraising, etc.).
Volunteers should be counted only once.
If volunteers provide support that directly benefits more than one FCSS funded program, please count them in only one of the program’s Year End Reports.

10. Total number of Volunteer Hours.
This is the total number of hours that ALL of your volunteers have worked to support your program during this 12-month reporting period.

11. Comments regarding Volunteers and Volunteer Hours.
Only if you have additional information you would like to share.
Optional, 4000 char

Target Population Impact:

12. Please identify the top priority population groups selected in your application.

13. Describe how your program has impacted the population group(s) identified.
Required, 6000 char

14. If this is not the same group as identified in your application, please explain below.
Optional, 3000 char

Success Stories:
Please provide one or two short stories about people who have been impacted by your FCSS program. These stories are used to show the impact of FCSS funding. If possible, please link story to the FCSS outcome/FSII indicator that this program is contributing to.
Please do NOT include any identifying information about your client/participant.

15. First Story: required, 4000 char
16. Second Story: optional, 4000 char

Program Evaluation Reporting: (Optional)

17. If you conduct any program evaluations related to this program, please describe the results.
Include any additional outputs, outcomes, qualitative analysis, and overall impact, as applicable. If no evaluation work has been completed, enter N/A.
Optional, 6000 char

18. Please upload to the Documents tab in FIMS or provide links to any program evaluation files that demonstrate the impact of your program, as indicated in question 17. Provide the file names in the space below. (Optional)
These files can include written reports, oral reporting, video, or other multi-media items, as seem relevant to FCSS.
Optional, 3000 char

Continuous Improvement:

19. Report any program or organizational improvement or changes you made during the current reporting period (2023) that impacted this program.
Optional, 4000 char

20. Report any program or organizational improvement or change efforts planned for the next reporting period (2024) that could impact this program.
Optional, 4000 char

21. To aid FCSS in its own continuous improvement efforts, please provide feedback on ways in which this reporting process could be improved.
Optional, 4000 char

Policy Opportunities/Barriers:

22. Please briefly identify any opportunities or barriers (programmatic, policy, organization, etc.), potentially affecting your social inclusion work. (e.g. This can include items such government policy, sector relations, or funding availability).
Optional, 4000char

23. Please summarize how your organization and/or program have been impacted by inflation. Provide specific examples, if possible.
