

**Increased Safety**

**Activities and updates**

- In October, the Calgary Police Service and City peace officers conducted a joint operation that focused on improving transit. This resulted in 45 arrests, seizure of fentanyl, methamphetamine, weapons, and one missing youth was located.
- Seven City peace officers have been hired to address safety on the Transit system.
- Six City security guards have been deployed to work with City peace officers to enhance safety on transit.
- Alpha House and City peace officers coordinated additional outreach resources including dedicated vans and increased overnight hours of operation with a focus on LRT stations.

**Improved Social Support Access & Navigation**

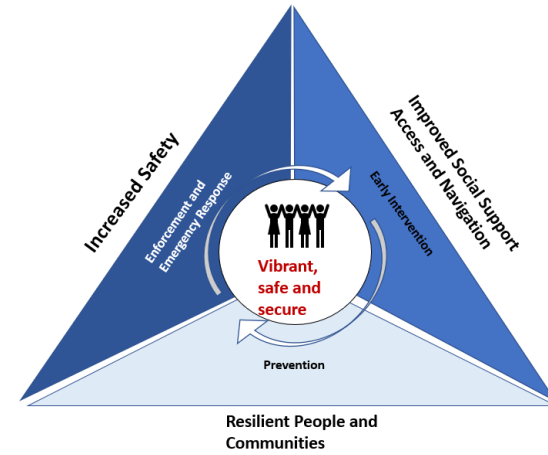

**Activities and updates**

- In October, through the 911 and 211 Call Diversion program, the DOAP Team responded to 372 unwanted/trespassing calls and connected these individuals to resources and services.
- In October, peace officers responded to 791 encampment calls and connected individuals living in encampments to shelters and housing access.
- To support unhoused Calgarians, the Coordinated Community Extreme Weather Response provides:
  - daytime warming spaces
  - winter essentials through outreach groups.
  - shuttle service from LRT stations to emergency shelters.
- Emergency shelters have overnight capacity with nightly occupancy consistent at 70-75% during the recent colder weather.

**Resilient People & Communities**

**Activities and updates**

- On October 29, Volly Ltd hosted a free Halloween festival for all ages at the Historical Firehall No. 1 and approximately 400 people attended.
- On November 12, East Village celebrated their 15-year anniversary with their *Block by Block Party* and ~3000 people attended.
- For the month of November on Friday and Saturday evenings, the Inglewood Night Market hosts community vendors to sell their local goods. To date, approximately 8000 people have attended.

**Key Messages**

- City services are working closely with community partners to improve safety along transit lines.
- Plans are in place to support unhoused Calgarians during winter weather.
- Continued focus on community connections, activities and events with over 11,400 people participating in select community activations.
- The City and CPS will continue to monitor call volumes and respond accordingly.

**City-wide data points of interest**

In October:

- Calgary Police Service responded to 7281 social disorder calls, down 10% from September.
- City peace officers responded to 2929 social disorder calls on the transit system, up 14.5% from September.
- 848 calls to 211 for substance abuse were reported, up 5% from September.
