Welcome to School Connections YYC

The City of Calgary in partnership with the Calgary Board of Education (CBE), and Calgary Catholic School District (CCSD) has created the School Connections YYC (SCYYC) framework.

SCYYC provides schools and community-based organizations with a consistent process to connect with one another for access to available space in schools where programs and services can be offered to support students and families.

Criteria

The Criteria for organizations to be part of School Connections YYC include:

1. Organization is a government or a registered not-for-profit organization.
2. Organization must have adequate insurance and will maintain coverage through the duration of the program.
3. Program must address an existing need of students and/or their families.
4. All fees are 100% waived upon request.
5. At least one on-site staff member must have a valid first aid certificate.
6. All program staff members and volunteers have completed a Police Information Check, including vulnerable sector search verification, and are cleared to work with children and youth.

The City of Calgary pre-screens all Organizations that join School Connections YYC (SCYYC) to ensure the above criteria are met. SCYYC programs that occur after school hours do not require teacher supervision.

First-Time Enrollment

The first time you access the School Connections YYC database you must set up your account. Both the CBE and the City of Calgary require Multi-Factor Authentication (MFA) to be used to ensure security.

The enrollment guide can be found on the [School Connections YYC Webpage](#) under CBE support material.
