Elder abuse

Elder abuse is any action or inaction by self or others that causes harm to the health and well-being of any older adult.

Elder abuse can take several forms including financial, emotional, physical, sexual, medication and neglect.

Has someone ever tried to...

- Control your money or actions?
- Force you to sign papers against your will?
- Make you feel unsafe?
- Touch you in ways that you did not want?
- Hurt you physically?
- Deny you food, clothing, medication, medical care or proper shelter?

Any kind of abuse is unacceptable.

Remember, it’s not your fault.
