**READ ONLY**

- Illegal Soft drugs as defined by the *Controlled Drugs and Substances Act*: Marijuana, hashish, hash oil (prior to the date of legalization, October 17, 2018), edible cannabis extracts, cannabis topicals (prior to the date of legalization, Oct. 17, 2019) and mushrooms.

**You are expected to remain free from criminal activity while in the Firefighter Pre-Screening process.**

### Personal History Statement and Truth Verification Process

**Honesty, Integrity and Ethics** are scrutinized closely in considering firefighter applications. The PHS and truth verification process are used to assist in determining an applicant's suitability for employment as a firefighter with the CFD.

The PHS pertains to your **ethics** and your **integrity**. You, as the applicant, must first complete the PHS by answering all questions accurately, completely, thoroughly, and honestly. Minimizing, blaming, and failing to accept responsibility will be closely monitored. Should you be allowed to continue in the process, your answers will be verified by a variety of methods, including a comprehensive file review and truth verification examination.

Should you be successful at Steps One through Five of the Firefighter Pre-Screening Process, you will be requested to participate in a truth verification Pre-Employment Polygraph (PEP) examination. The purpose of the PEP is to verify your truthfulness, and that you are the person you claim to be in your employment application forms, questionnaires, documents, and interviews.

Be advised that deceit, dishonesty, or non-disclosure concerning questions in any part of the application process will likely result in disqualifying you from this and any future employment competitions with the CFD.

## Personal History Statement

FD 1242 (February 2020)

Your decision to complete the PHS and to participate in the PEP must be voluntary, based on your desire to pursue a career as a firefighter. You may withdraw or stop the application process at any time. You may refuse to provide answers to any or all of the questions contained in the PHS. Refusal may result in your disqualification from the Firefighter Pre-Screening Process.

If you recall additional relevant information, you have submitted your application, you can amend your responses to questions by uploading a PHS Update Form.
