

Enmax Legacy Parks Program — Clearwater Regional Park

Elbow River running through the Clearwater lands

Project: This quarter section of land was a donation from the Devonian Foundation. It lies within the Elbow River valley immediately west of Calgary, north of Hwy 8. Site development will be limited to facilities that compliment this natural environment park. Long-term pathway connections to Griffith Woods park are anticipated. The Calgary Archers currently have a lease on the site. Park development will proceed after lease expiry.

Budget: \$1.5M Enmax Legacy Park Program Phase 1 funding.
\$2.5M Estimated balance of funding for site development from new phase.

Timeline: Biophysical assessment work completed in 2010.
Design Development Plan underway (2011, 2012).

Benefits: This regional park continues a ribbon of public accessibility to the Elbow River west of Griffith Woods and allows conservation of the riverine and natural habitat.
