

# Nose Hill

## Park Trails and Pathways

The large area at the top of Nose Hill, which is the size of 424 football fields, is a multi-use zone. All park users are required to stay on designated trails and pathways outside of the multi-use zone.

The large multi-use zone can be used for

- ▶ off-leash dog walking
- ▶ off-trail hiking; and
- ▶ off-road cycling and mountain biking.

To protect the park's sensitive native vegetation communities, these activities are only permitted in the multi-use zone at the top of the hill.

-  designated trails
-  designated pathways
-  maintained tracks
-  community entrances
-  tunnel entrances
-  multi-use zone/  
off-leash dog zone
-  parking lot entrances
