

Mowing community parks to roadside greens:

How often The City of Calgary's **Parks & Open Spaces** mows different green spaces throughout the growing season.

COMMUNITY

Smaller, local parks are mowed up to **10 times** per growing season.

REGIONAL

Larger green spaces with more amenities are mowed up to **20 times** per growing season.

PLAYFIELDS

Community soccer fields and ball diamonds are mowed up to **20 times** per growing season.

ROADSIDE GREENS

Next to major roadways, roadside greens are mowed up to **four times** per growing season.

For more information about our mowing cycles, visit calgary.ca/mowing

SHOULDER CUT

Grass is cut shorter on the shoulders to improve sight lines for drivers and prevent overgrowth.
