

Finn scooter Golfer ride guide

How to operate your Finn Scooter

Step 1: Familiarize yourself with the controls

Step 2: Load your bag

- 1. Place the bottom of your golf bag in the lower bag support below the seat.
- 2. Lower the top of the golf bag into the upper bag support.
- 3. Secure the golf bag by locking the buckle and cinching the strap.

Step 3: Safety check

- Make sure your golf bag is secure on the scooter.
- Make sure nothing is dangling that could get stuck in the front spokes. Secure anything that is dangling, like a towel or strap, in a pocket.
- Put down foot pads for stability while riding.

Step 4: Turn on ignition and have fun

The keyhole is located below the seat.

Rules for riding on the course

- You must be over 18 years of age with a valid driver's license.
- Stay on pathways whenever possible.
- Keep off tee boxes and greens (at least 20 feet from edge).
- Do not operate under the influence of alcohol or drugs.
- Remember to use the kickstand when you get off.

Golfers may be held responsible for personal injury or damage to equipment or property.
