Golf etiquette and rules

We are committed to providing a safe, respectful environment for all staff and customers. No physical or verbal abuse will be tolerated.

All members of your group are required to check in with the clubhouse a minimum of 15 minutes prior to your tee time.

Local rules

- If ball enters the water hazard at the front of the first green, use drop zone located to the right of the water.
- Out of bounds: white stakes, all fence lines - penalty stroke and distance.
- Hazard areas: yellow and red stakes.
- In the event of a lost ball, golfers can drop a ball in the nearest fairway, no closer to the hole, under the penalty of two strokes.
- One club length relief from roads, pathways, immovable objects. No closer to the hole – no penalty.
- Two club length relief from tagged trees. No closer to the hole – no penalty.
- **Maximum of two minutes to look for a lost ball.**

Safety is priority

- Maintenance workers and equipment have the right of way. Make every effort to get the workers' acknowledgement prior to making your shot (e.g. yell fore or waving).

- If at any time you or another member of your group loses control or sight of a shot, warn others by shouting "Fore!".

- **DO NOT HIT onto the green if the flagstick is out.**

- Golfers may be held responsible for personal injury or damage to equipment or property.

Policies and etiquette

- Only alcohol purchased from the facility is permitted. Outside alcohol will be confiscated.
- Power cart operators must be over 18 years of age with a valid driver's license.
- Proof of payment must be shown at any time while on the golf course.
- Keep power carts on paths where possible or 30 feet from the edge of greens.
- Keep pull carts and bags 10 feet from the edge of greens, off tee boxes and out of sand traps.
- Play only one ball.
- Replace divots, repair ball marks and rake sand traps.
- No practicing on tee boxes or putting surfaces.
- Mark scores on the next tee not at the green.

Golf Canada (RCGA) rules govern all play except where modified by local rules.

Pace of Play Expectations.

- Be considerate of others, slow play detracts from everybody's enjoyment of the game.
- Use the tee best suited to your ability.
- Continuous putting is recommended.
- Play ready golf – hit when ready and safe to do so, even if you're not 'away'.
- This is an intermediate to advanced skill level course.

- You are to complete your round in the time indicated on the scorecard or less.
- Marshals are authorized to enforce policies and to control speed of play (e.g., move groups have players pick up on a hole and remove players from the course.)

Thank you for playing ready golf.

- Move quickly to your ball.
- You are expected to keep within one stroke of the group ahead of you.
- If you reach double the par on any hole, pick up your ball and move to the green.
