Drop In - Aquatic & Dryland Fitness Descriptions

50+ Fitness (Gentle 3) - A moderate intensity fitness class especially for aging adults. Classes will include exercises for improving cardiovascular fitness, strength, balance and flexibility. Join your peer group to keep active and have fun!

Balance & Strength (Gentle 2) - An easy to follow low intensity class for adults. Designed for those with any type of limited mobility, helping increase confidence and improve balance, strength, core stability and flexibility. Also includes low intensity cardio to help build up endurance.

Deep Water Workout (DWW) - A water fitness class incorporating the buoyancy and resistance of water to challenge your cardiovascular system and muscle groups. The exercises are done while wearing a flotation belt in deep water. Swimming skills are not necessary.

Group Boxing - Expect a high intensity boxing based workout which will leave you feeling energized. This full body, group boxing class is perfect for all levels, no boxing experience required. Boxing intervals, high energy music and the latest equipment will increase body strength and cardiovascular health. Please arrive with hand wraps already on.

Pure Cycle - Crank it up with this motivating and vigorous no frills class designed to give an unbeatable workout to all levels of experience. Optimize cardiovascular fitness and calorie burn as well as improve overall strength and core stability. Classes will include some of the following components; hills, race pace, sprints, tempo, power drills, team riding, intervals, race course, all terrain, wind rides and more!

Pure Strength - A progressive weight training workout in a group fitness setting using barbells with adjustable weights, set to motivating music. Pure Strength is a simple, athletic based workout that strengthens, tones and defines every major muscle group in your body using a variety of strength, power and endurance techniques and principles.

Sit Fit (Gentle 1) - Get fit while you sit! This program offers chair exercises that can be done in a safe and comfortable environment. Learn functional exercises that will help you be stronger in your everyday life activities.

Total Body Workout - An intense yet self-paced class with simple or no choreography. There is no set blueprint - classes may have different formats but will include either interval or continuous cardio (possibly utilizing sport moves) and strength moves for every major muscle group including core and balance exercises.

Yoga - Yoga can calm the nervous system and balance the body, mind and spirit. This class emphasizes the union of breath, focus and structural alignment through a system of poses aimed to relieve the stresses of modern day life. No late entry. Please bring your own mat.
