

Know your election

There are **two** elections this fall.
Here is what you need to know:

Canada federal election

The Canadian federal election is on **September 20, 2021**

Voters will elect Members of Parliament (MPs)

The election results determine which political party will form the federal government and who will be Prime Minister of Canada.

For more information about the federal election, contact Elections Canada at elections.ca

City of Calgary municipal election

Calgary's municipal election is on **October 18, 2021**

Voters will elect their mayor, ward councillor and school board trustee. They will also vote on reintroducing fluoride to the water system, the senate election and referendum votes.

Why vote in the municipal election?

Voting for mayor and your ward councillor gives you a say in the direction The City of Calgary will take. This includes services that impact Calgarians daily, such as:

- Road maintenance and snow clearing
- Transit
- Parks
- Recreation programs
- Waste, recycling and compost collection
- Animal and bylaw services
- Clean drinking water
- Police and fire services
