

We are reducing our water usage

Hot tubs and steam rooms are closed during the water feeder main repairs.

How you can help:

Limit your showers to 3 minutes or less.

Reuse your towel.

Turn off the faucet while washing your hands.

Together, we can get the job done.

Learn more about how you can reduce your water use.

Calgary

We need your help to save water

We're making urgent repairs to a water feeder main and our water supply is limited.

You can help by:

**Turning the faucet off
while washing your hands.**

**Thanks
for helping us
make every
drop count!**
