Alignment of Projects

Alignment to Council Priorities:

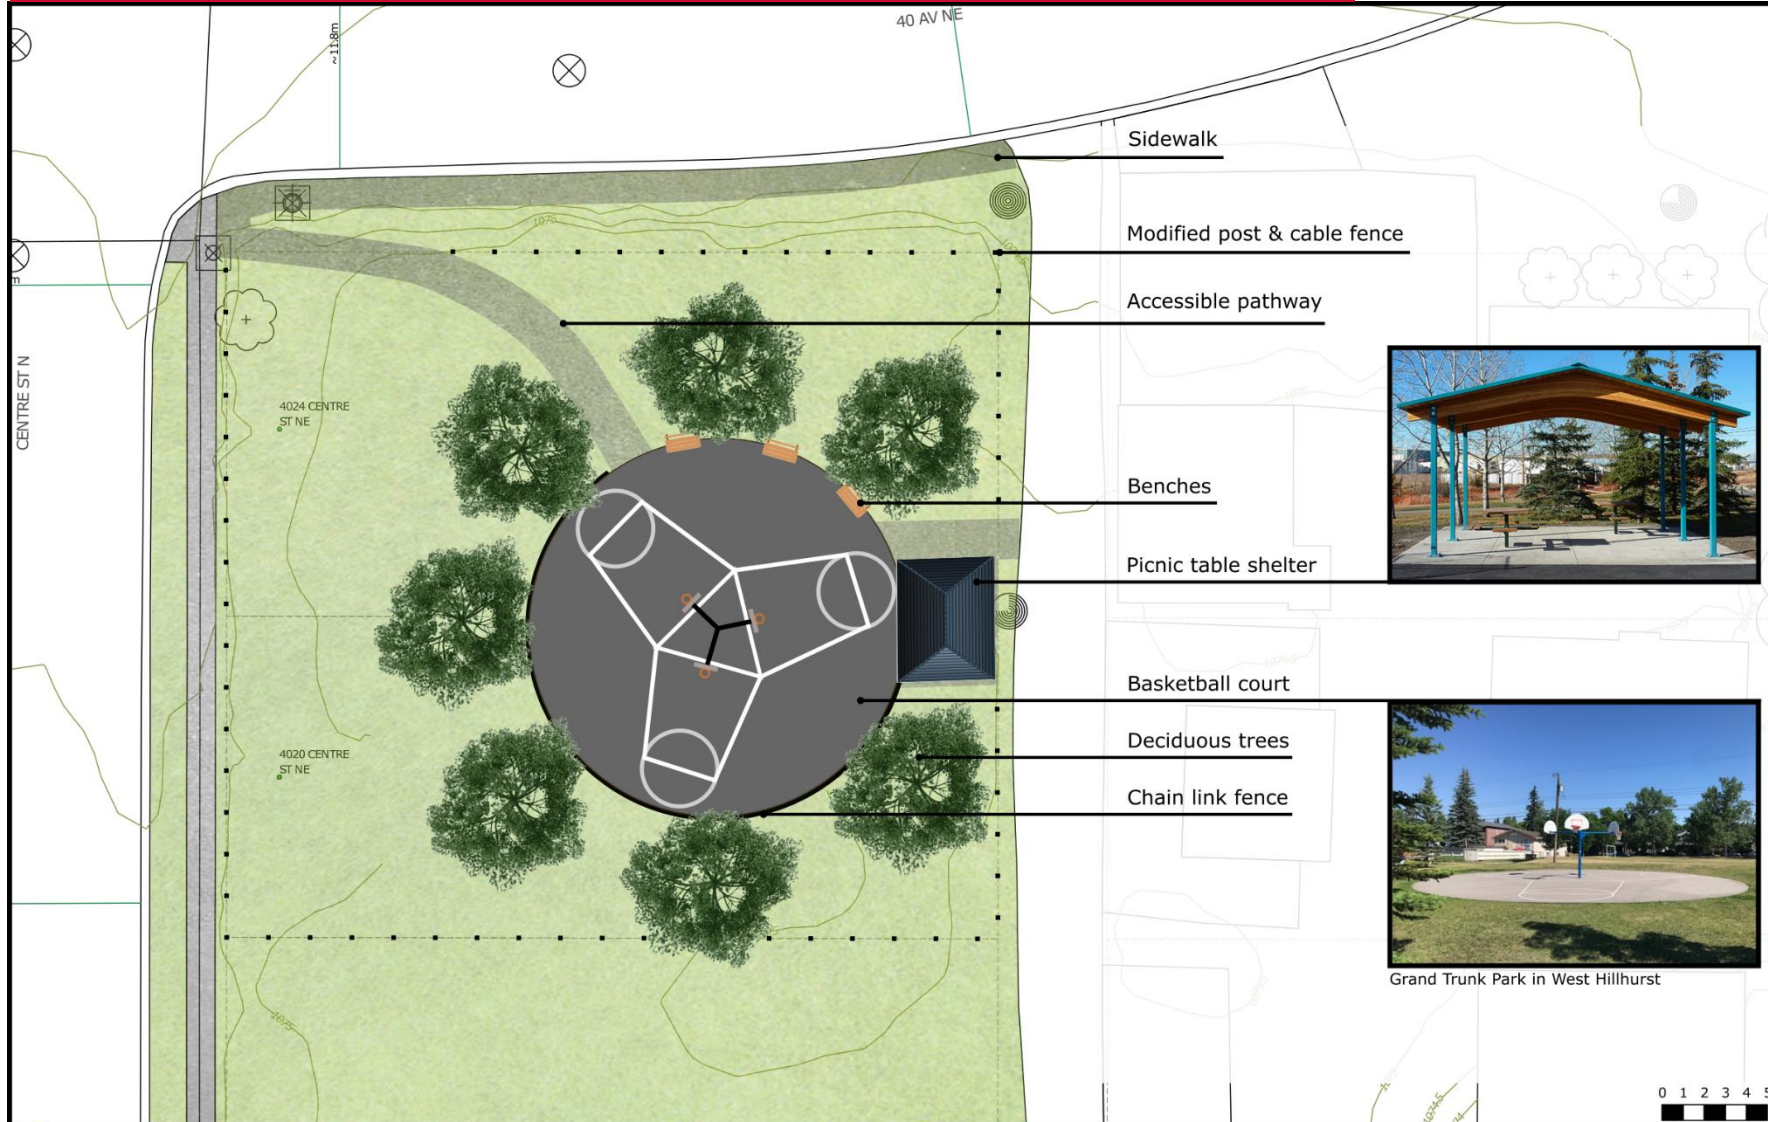

- ✓ Project components **promote active living** (physical + social) through the provision of accessible and inclusive infrastructure upgrades + programming
- ✓ Project components will make **walking + cycling use more attractive** and safer for local residents and community visitors
- ✓ Public realm improvements and the renewal of 'lost space' will **promote interaction amongst residents** of Greenview Industrial Park, Greenview, Highland Park and Winston Heights –Mountview and build on the feeling of community
- ✓ Improvements support a resilient local economy by **stimulating opportunity for local businesses** and **encouraging investment** in redevelopment opportunities

40 Avenue N.E. Park and Area Improvements

- ✓ **Network Connections** to improve access and mobility for people walking and wheeling
- ✓ **Intersection Upgrades** to connect community destinations
- ✓ **Placemaking / Activation** to improve mobility for people walking and wheeling

General Project Timelines

Next Steps

How you can help us spread the word:

Provide feedback on proposed park and encourage others to do so online.

Share engagement opportunities with residents via newsletters, CA website, and social media

Encourage community members to visit park activations this summer.
