June 2018

Verbatim Comments

The comments below are as they were submitted by participants attending the events and at the online portal pages. No edits have been made but personal information or offensive language is removed with an indication that this has happened.

Route-specific comments are divided by route and into three categories for each route, answering the three engagement questions:

1. What do you like about the proposed route? (positive feedback)
2. What would you change or think could be improved about the proposed route? (negative feedback)
3. Is there anything else you think we should know? (general feedback)

General, non-route-specific comments and Evaluation comments follow the route-specific verbatims.

Route 176

Is there anything else you think we should know?

- The people who make transit decisions should take the bus to see how inefficient the system is. By deleting routes, you cause a lot of problems for the citizens of Calgary. Thanks for nothing. Route 176 is one of the busiest routes & now it's deleted??????
