Stakeholder Report Back: What we Heard

June 2018

### Verbatim Comments

The comments below are as they were submitted by participants attending the events and at the online portal pages. No edits have been made but personal information or offensive language is removed with an indication that this has happened.

Route-specific comments are divided by route and into three categories for each route, answering the three engagement questions:

1. What do you like about the proposed route? (positive feedback)
2. What would you change or think could be improved about the proposed route? (negative feedback)
3. Is there anything else you think we should know? (general feedback)

General, non-route-specific comments and Evaluation comments follow the route-specific verbatims.

#### Route 3

What would you change or think could be improved about the proposed route?

- Start at least 5:00 a.m.
- Weekend service this needs to be same as Monday to Friday 5 a.m. start

Is there anything else you think we should know?

- You kept the number 3 route the same one bus for ever now its two?
- That sucks it is a huge main bus route to the core. :(

#### Route 6

Is there anything else you think we should know?

- My bus route #6 by-passes Most of the Bankview area during snow storms. Why does it not simply travel UP 14th street and then take 26th Ave from there? The snow route eliminates MOST of the Bankview portion of the route.

#### Route 7

What would you change or think could be improved about the proposed route?

- hoping the new routes will help me drive less to my job
