

## Shepard Maintenance and Storage Facility Utility Tie-Ins

Notice Date: October 8, 2025

Over the Thanksgiving long weekend, Green Line will be connecting utilities for the future Shepard Maintenance and Storage Facility (MSF) to the existing system. The work will require closure of the southbound lanes on 52 Street SE between 114 Avenue SE and 126 Avenue SE. Two-way traffic will be maintained and access to the South Trail Crossing commercial area will remain available via 52 Street SE.

### What

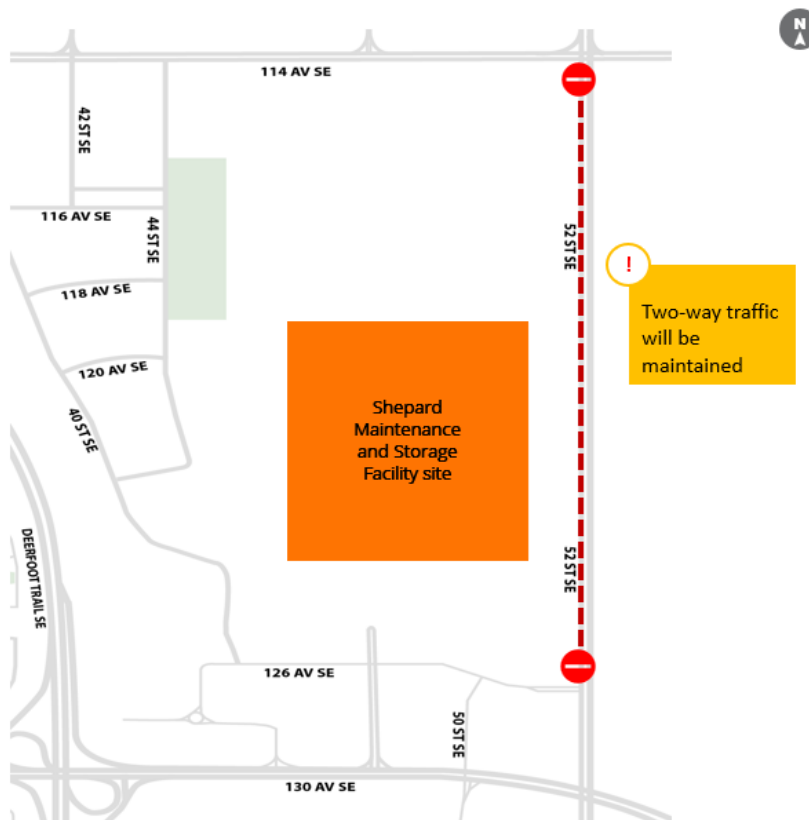

Utility connections

### When

October 10 – 13

### Where

52 Street SE between 114 Avenue SE and 126 Avenue SE.

### Impacts

Road closure

### Legend

Impacted area

Active construction

Closure

For more information and additional impacts see below or visit [Calgary.ca/GreenLine](https://calgary.ca/GreenLine).

## Green Line LRT

---

### What is the work?

Utility tie-in work will connect the MSF services to the municipal utility networks. The work requires the full closure of the southbound lanes on 52 Street SE to allow crews the necessary space to complete the work. Detour signage will be in place to support those accessing the area. The work is occurring over the weekend and will be completed on Monday, October 13. The closure will be lifted on the evening of Monday, October 13.

For more information or if you have any questions, please call 311 or email the project team at [greenline@calgary.ca](mailto:greenline@calgary.ca)

### About Green Line LRT – SE Project

The SE Segment, from Shepard in the southeast to the Event Centre/Grand Central Station in the Beltline, will build the first 16 kilometres of an overall 46-kilometre vision, before connecting with the future Downtown Segment and into the existing Red and Blue LRT Lines. Including the Downtown Segment, Phase 1 will build, 17.2 kilometres of twin-track LRT infrastructure, 12 new stations, a maintenance and storage facility, three Park and Ride lots, and 28 new modern low-floor light rail vehicles.
