

Ogden Road Realignment: Upcoming road closure

Notice Date: July 20, 2026

To complete the next stage of utility work associated with the Ogden Road Realignment, Ogden Road S.E. will be closed from 9:00 PM on July 31 until 5:00 AM on August 4, 2026, between 50 Ave S.E. and Millican Road S.E. Pedestrians will be able to access the existing multi-use pathway between 50 Ave S.E. and Millican Rd S.E. Vehicles travelling southbound on Ogden Road S.E. north of the closure will be redirected to Barlow Trail S.E. via the 50 Ave S.E. exit. Vehicles can then access the community from the south via Glenmore Trail to Ogden Road S.E. Vehicles travelling on Ogden Road S.E. south of the closure will be redirected to eastbound Glenmore Trail to northbound Barlow Trail S.E. Several

bus stops for Route 24 on Ogden Road will be temporarily closed. Route 302 will detour around the closure. Riders can expect delays of 30-40 minutes on these routes.

What is the work?

To support construction of the Ogden Road Realignment project, crews need to complete several utility crossings. In order to conduct this work, **Ogden Road S.E. will be closed between 50 Ave S.E. and Millican Road S.E. from July 31 to August 4, 2026.** Completing several utility crossings during a single closure allows construction activities to be coordinated and completed more efficiently, reducing the need for multiple road closures over a longer period of time, and minimizing overall disruption to the community. Please refer to calgary.ca/greenline/currentconstruction to check for changes or updates related to this closure.

Pedestrians and cyclists will still be able to access the existing multi-use pathway. **Vehicles** will be redirected to 50 Ave S.E., Barlow Trail S.E., and Glenmore Trail. Access to Millican Road S.E. will remain open to/from Ogden Road S.E. south of the closure. Detour signage will be in place.

Bus stops for Route 24 on Ogden Road will be temporarily closed: NB Ogden Rd @ S. of 50 Ave S.E. (#4512); NB/SB Ogden Rd @ Millican Rd S.E. (#4513 and #6915). **A detour will be in place for Route 302.** Riders on these routes can expect a 30-40 minute delay in their commute.

Please refer to calgarytransit.com/service-updates for up-to-date information on impacted and surrounding routes during the temporary closure.

Although a full road closure causes short-term inconvenience, it allows the work to be completed more efficiently and with fewer long-term risks. We appreciate your patience during this work.
