

Ogden LRT Station – Demolition of Ogden Block

Notice Date: October 26, 2026

As part of Green Line LRT construction, the former Hong Lee Laundry building (“Ogden Block”) at 7044 Ogden Road S.E. will be removed to accommodate construction of the future Ogden LRT station.

Demolition is scheduled to begin as early as **November 2, 2026**, and is expected to take up to three weeks to complete.

What

Demolition of Ogden Block

Where

7044 Ogden Road S.E. and surrounding area

When

November 2, 2026, for up to three weeks

Impacts

- Increased noise and dust
- Construction vehicles and equipment
- Temporary sidewalk closure on the east side of Ogden Road S.E.
- Temporary restriction of on-street parking in front of the site

Green Line LRT

What is the work?

To support construction of the future Ogden LRT station, the former Hong Lee Laundry building ("Ogden Block") at 7044 Ogden Road S.E. will be removed. This work will involve demolition, sorting and processing of demolished materials, as well as the removal of debris and remaining soil stockpiles from the site.

To ensure public safety during demolition, the sidewalk in front of the site will be temporarily closed, and pedestrian access will be rerouted to the west side of Ogden Road S.E. On-street parking will be temporarily restricted on the east side of Ogden Road S.E. in front of the site during demolition activities.

About Green Line LRT Project

Phase 1 of the Green Line LRT Project connects Shepard in the southeast to Calgary's downtown and marks the first stage of the project's ultimate 46-kilometre vision. This phase will deliver 17 kilometres of twin-track LRT infrastructure, 11 new stations, a maintenance and storage facility, three Park and Ride lots, and a fleet of 28 modern low-floor light rail vehicles.
